2. Procedure

2.1. Procedure

Title: 2025 Framework agreement for the purchase and delivery of painting products, flooring and wall covering

Description: Trondheim municipality, hereafter called the contracting authority, invites tenderers to an open tender contest for a framework agreement for the procurement and delivery of paint, flooring and wall covering products for the municipality's entities. The contracting authority would like tenders for staggered deliveries of paint, flooring and wall covering for internal and external operation and maintenance of the contracting authority's existing buildings. The contract also applies to the procurement of materials for education in schools and nurseries. See the tender documentation and annexes for other details.

Procedure identifier: 6425815b-f2e6-4bf9-9067-87e5c4736e05

Internal identifier: 2025/32149

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The framework agreement shall cover the municipality's total need for the following product categories: Internal paint, external stained paint Products Glue and plaster products, such as paint rolls, brushes etc. consumables such as paint felt etc. Flooring Wall covering the Contracting Authority will use the framework agreement to cover the municipality's need for the relevant products, but it can, in some cases, be necessary to trade goods outside this framework agreement. This is relevant, for example, if the contracting authority needs paint from a specific manufacturer and the tenderer cannot obtain the necessary product. Nor is the framework agreement intended to be used by contractors who carry out work on behalf of the municipality, where the delivery of materials is included as a part of the assignment. The contracting authority reserves the right to hold a competition separately for each project when investments in new buildings or major alterations, renovation or maintenance projects on existing buildings.
