5.1. Lot: LOT-0012

Title: Onderzoek naar gifstoffen en secties dode dieren

Description: Wanneer een opdracht met een totale waarde boven een Europees drempelbedrag wordt opgedeeld in percelen, dan kunnen één of meerdere percelen in sommige gevallen worden uitgezonderd van de Europese aanbestedingsplicht. Dit artikel reguleert de berekening van de waarde van voorgenomen opdrachten voor werken en/of diensten die de aanbestedende dienst in percelen heeft verdeeld. Uitgangspunt is dat de waarde van alle percelen gezamenlijk bepalend is voor de wijze van aanbesteden van de afzonderlijke percelen. Lid 3 van het artikel biedt de aanbestedende dienst de mogelijkheid om voor de plaatsing van een of meerdere percelen van de voorgenomen opdracht af te wijken van het aanbestedingsregime dat op grond van de waarde van alle percelen gezamenlijk is voorgeschreven. Aan de hand van de waarde van het uit te zonderen perceel of de uit te zonderen percelen, en het aandeel van het betreffende perceel of de betreffende percelen in het geheel van de voorgenomen opdracht, kan de aanbestedende dienst afwijken van het voorgeschreven aanbestedingsregime, door die percelen anders dan Europees aan te besteden. Dit is toegestaan onder de volgende voorwaarden: Voor overheidsopdrachten geldt dat het uitgezonderde perceel niet groter mag zijn dan € 80.000 (exclusief omzetbelasting). De waarde van het één-op-één gegunde perceel (of percelen) mag maximaal 20% van de totale waarde van de gehele opdracht (alle percelen bij elkaar) bedragen. Voor perceel 12 zal gebruikt worden gemaakt van de percelenregeling. Aan de wettelijke voorwaarden wordt voldaan. De waarde van dit perceel betreft €20.000,-. Dit perceel zal niet worden aanbesteed, hiervoor zal de Provincie Limburg zelf raamcontractanten contracteren. U kunt zich dus niet inschrijven voor dit betreffende perceel.
