Title: Framework agreement for the purchase of stationary vehicle scales

Description: The Norwegian Public Roads Administration (henceforth referred to as the Contracting Authority) requests tenders for stationary vehicle scales (bridge scales). The aim of this framework agreement is that the Norwegian Public Roads Administration has a number of locations with bridge scales, some are relatively new and some are of older vintage and must be replaced. There can also be a need for bridge weights where there are new establishments. The bridge weights shall be used in connection with assignments connected to certification and inspection of vehicles. The tenderer shall deliver bridge weights at the contracting authority's different locations in Norway. The contracting authority is responsible for entering into agreement with a contractor for ground works and electro. Tenderers shall assist in planning and carrying out the ground work to the degree necessary.

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer:a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met,b) failed to provide such information,c) subject to immediately submitting the supporting documents requested by the Contracting Authority, ord) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations set under purely national exclusion grounds: Approved procedures for staffing conditions Does the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, approved procedures for some of the punishable conditions mentioned above, j.f. the Procurement Regulations § 24-2, (2) paragraph, a-f?

Serious errors that cause doubt about his professional integrity Has the tenderer otherwise committed serious errors that cause doubt about his professional integrity, cf.f. the procurement regulations § 24-2, (3) letter in?

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
