Internal identifier: 2026003669

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: Kristiansand municipality c/o the Engineering Department - the Production Department is responsible for the feuding of the municipality's streets, roads, foot /cycle paths and pavements and municipal properties. A total progress plan shall be made for spring sweeping of municipal areas in the municipality. The municipality's own production department carries out much of the sweeping itself. We see that we need to hire in externally to fulfil our intentions regarding the time aspect of our sweeping. The production department will organise the sweeping and administers where the respective sweeping vehicles shall operate. The extent or areas subject to sweeping of the municipality will vary from year to year. It will also be necessary to sweep at other times during the year as needed. We want the work to be carried out on an hourly basis in accordance with the offered prices for different machines with drivers. See the annex "Machines and Prices". All machines priced must be able to be used simultaneously in the period week 10 up to and including week 22. Vi shall have a contract with one tenderer.
