Activity of the contracting authority: Education

2. Procedure

2.1. Procedure

Title: The purchase of a nuclear power plant simulator including basic training from the funds of the “Excellence Initiative – Research University” programme implemented at the Warsaw University of Technology

Description: The subject-matter of the contract is the purchase and delivery of a real-time computer simulator of a nuclear power plant with a PWR reactor type with four steam generators with an electrical output of more than 1000 MWe, including: 1) delivery of functional software for simulating the operation of a nuclear power plant; 2) delivery of IT infrastructure (“Equipment”): 1 server, 1 Instructor station, 3 Training stations, a projector and a printer including installation, configuration and launch; 3) training in the use of simulation equipment and software, including the required materials and documentation; 4) a minimum 12-month guarantee; 5) hardware and technical support for 12 months; 6) a licence to use and apply the simulator software for an unlimited period of time and ownership of the media on which it is recorded; 7) after-sales service for a period of 24 months from the end of the warranty. A detailed description of the subject-matter of the contract (DDSC) is included in Annex No. 1 to the Terms of Reference (ToR). Terms and conditions of the execution of the subject-matter of the contract are specified in Annex No. 2 to ToR - Draft Agreement Provisions.

Procedure identifier: b9c7493c-3c91-4a95-940e-ed4d1a003656

Previous notice: 408113-2025

Internal identifier: ZP.D.DS.26.2025

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: Art. 132 of the PPL Act open tender public procurement procedure in which all interested contractors can submit tenders following a public procurement notice.

2.1.1. Purpose

Main nature of the contract: Supplies

Additional nature of the contract: Services

Main classification (cpv): 38970000 Research, testing and scientific technical simulator

Additional classification (cpv): 30214000 Workstations, 80510000 Specialist training services

2.1.2. Place of performance

Postal address: ul. Nowowiejska 21/25

Town: Warszawa

Postcode: 00-665

Country subdivision (NUTS): Miasto Warszawa (PL911)

Country: Poland

2.1.4. General information

Additional information: 1. The Contracting Authority will exclude a contractor from the procurement procedure on the basis of the provisions of Article 108 section 1 item 1-6 and Article 109 section 1 item 4 of the PPL Act. 2. The Contracting Authority shall exclude from the public procurement procedure any contractor in relation to whom the circumstances apply, referred to in: 1) Article 5k section 1 of Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's destabilising action in Ukraine. 2) Article 7 section 1 of the Act of 13 April 2022 on special solutions to counter support for aggression against Ukraine and to protect national security.

5.1.6. General information

Reserved participation:

Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

Information about previous notices:

Identifier of the previous notice: 408113-2025

Additional information: 1. An electronic tender consisting of: 1) Tender Form constituting Annex No. 3 to ToR; 2) European Single Procurement Document (ESPD) – template in Annex No. 1 to Tender Form. In the case of submission of a joint tender in public procurement procedure, a statement on the lack of basis for exclusion shall be submitted by each Contractor; 3) A statement submitted based on Article 5k section 1 of Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's destabilising action in Ukraine. 2) Article 7 section 1 of the Act of 13 April 2022 on special solutions to counter support for aggression against Ukraine and to protect national security, constituting Annex No. 1a to Tender Form. In the case of submission of a joint tender in public procurement procedure, a statement on the lack of basis for exclusion shall be submitted by each Contractor; 4) Product Specification Form – Equipment configuration of the offered Simulator constituting Annex No. 1b to Tender Form; 5) A power of attorney authorising the submission of the tender if the tender is submitted by a proxy; 6) (if applicable) – Statement of contractors submitting a joint tender in public procurement procedure, constituting Annex No. 2 to Tender Form; 7) (if applicable) A power of attorney for the proxy to represent the Contractors submitting of a joint tender in public procurement procedure – applicable to tenders submitted jointly; 8) (if applicable) A commitment of the entity making resources available, constituting Annex No. 3 to Tender Form ; 9) (if applicable) A statement of the entity making resources available, submitted pursuant to Article 5k section 1 of Council Regulation (EU) No 833/2014 of 31 July 2014 and concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine, and Article 7 section 1 of the Act of 13 April 2022 on special measures to counteract the support of aggression against Ukraine and to protect national security, constituting Annex No. 1a to Tender Form. 10) (if applicable) A statement of the subcontractor submitted pursuant to Article 5k section 1 of Council Regulation (EU) No 833 /2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine and Article 7 section 1 of the Act of 13 April 2022 on special measures to counteract the support of aggression against Ukraine and to protect national security, constituting Annex No. 1a to Tender Form. 11) (if applicable) The European Single Procurement Document (ESPD) concerning entities making resources available, to the extent specified in Part II, Section C of the ESPD form (Information concerning reliance on the capacities of other entities). 2. Before selecting the most advantageous tender, the Contracting Authority shall call upon the Contractor whose tender was awarded the highest evaluation score to submit, within a time limit no shorter than 10 days, the following contractor-related evidence confirming that there are no grounds for excluding the Contractor from participation

in the procedure, up-to-date as at the date of submitting the tender: 1) information from the National Criminal Register as regards: Article 108 section 1 item 1 and 2 of the PPL Act and Article 108 section 1 item 4 of the PPL Act, concerning an order for prohibition on applying for a public procurement contract as a criminal measure, issued no earlier than 6 months before its submission, 2) statement of the Contractor, within the scope of provisions of Article 108 section 1 item 5 of the PPL Act, on not being a member of the same capital group as defined by the Act on Competition and Consumer Protection of 16 February 2007 (Journal of Laws of 2020, item 1076 and 1086) with another Contractor who submitted a separate tender, a partial tender, or a statement on being a member of the same capital group together with documents or information confirming preparation of a tender, a partial tender independently of another Contractor belonging to the same capital group. The Contracting Authority recommends that the statement should be prepared in accordance with the template constituting Annex No. 5 to Tender Form, 3) an excerpt or information from the National Court Register or the Central Register and Information on Business, within the scope of Article 109, section 1, item 4 of the PPL Act, prepared no earlier than 3 months before submission if separate regulations require entry in the register or records. 4) A statement of the Contractor on the validity of information included in the statement, referred to in Article 125 section 1 of the PPL Act (ESPD), within the scope of grounds for exclusion from the procedure indicated by the Contracting Authority, as referred to in article 108 section 1 item 3 - 6 of the PPL Act, it is recommended to prepare the statement according to the template constituting Annex No. 4 to Tender Form. 3. If the Contractor has registered office or place of residence outside the borders of the Republic of Poland, instead of: 1) information from the National Criminal Register as referred to in item 7.2 subpoint 1, the Contractor shall submit information from a relevant register, such as a court register, or, in the absence of such a register, another equivalent document issued by a competent judicial or administrative authority of the country in which the Contractor has their registered office or place of residence or the place of residence of the person to whom the information or document refers, to the extent referred to in item 7.2 subpoint 1) - issued no earlier than 6 months before its submission; 2) an extract or information from the National Court Register or from the Central Register and Information on Business referred to in item 7.2. subpoint 3) - the Contractor shall submit a document or documents issued in the country in which they have their registered seat or place of residence, confirming respectively that they have not been liquidated, declared bankrupt, their assets are not managed by a liquidator or a court, they have not made an arrangement with creditors, their business activity is not suspended nor are they in any other such situation resulting from a similar procedure provided for in the legislation of the place where that procedure is initiated. issued no earlier than 3 months before their submission. 3) If in the country in which the Contractor has their registered seat or where the person to whom the document relates has their place of residence, the documents referred to in item 7.3 subpoint 1) and 2) are not issued, or if such documents do not refer to all cases referred to in art. 108 section 1 item 1, 2 and 4, they shall be replaced in full or in part, respectively, by a document containing a declaration of the Contractor, indicating the person or persons authorised to represent them, or a statement of the person to whom the document applies, submitted under oath, or, if there are no regulations on declarations under oath in the country in which the Contractor has its registered seat or the place of residence of the person to whom the document applies, submitted before a judicial or administrative authority, a public notary, a professional or economic self-government authority competent as regards the seat or the place of residence of the Contractor or the place of residence of the person to whom the document applies - issued within the time limits referred to in item 7.3, subpoint 1) and 2), respectively. 2). 4. Information on subject-matter evidence: 1) To confirm that offered supplies meet the requirements have features specified by the Contracting Authority, the Contractor shall attach to the tender: Annex No. 1b to Tender Form Product

Specification Form – Equipment configuration of the offered Simulator 2) Subject-matter evidence shall be submitted before the expiry of the deadline for tender submission 3) Should the Contractor fail to submit subject-matter evidence with the tender or the submitted evidence be incomplete, the Contracting Authority shall request its submission or completion within a specified deadline.

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: References on specified deliveries

Description: This condition shall be deemed fulfilled if the Contractor demonstrates that, within the last 3 years, they have completed at least one contract of a nature corresponding to the subject-matter of this public procurement, i.e.: the Contractor demonstrates experience in the delivery of nuclear power plant simulators with a PWR-type reactor.

5.1.10. Award criteria

Criterion:

Type: Price

Description: Price

Category of award weight criterion: Weight (points, exact)

Award criterion number: 60,00

Criterion:

Type: Quality

Description: Deadline for performance

Category of award weight criterion: Weight (points, exact)

Award criterion number: 40,00

5.1.11. Procurement documents

Languages in which the procurement documents are officially available: Polish, English

Address of the procurement documents: <https://platformazakupowa.pl/transakcja/1240064>

5.1.12. Terms of procurement

Terms of submission:

Electronic submission: Required

Address for submission: <https://platformazakupowa.pl/transakcja/1240064>

Languages in which tenders or requests to participate may be submitted: Polish, English

Electronic catalogue: Not allowed

Advanced or qualified electronic signature or seal (as defined in Regulation (EU) No 910/2014) is required

Variants: Not allowed

Tenderers may submit more than one tender: Not allowed

Deadline for receipt of tenders: 23/01/2026 10:00:00 (UTC+01:00) Central European Time, Western European Summer Time

Deadline until which the tender must remain valid: 90 Days

Information about public opening:

Opening date: 23/01/2026 10:05:00 (UTC+01:00) Central European Time, Western European Summer Time

Place: The Warsaw University of Technology, ul. Noakowskiego 18/20, 00668 Warsaw

Additional information: The opening of tenders takes place without the participation of contractors. Immediately after the opening of tenders, the Contracting Authority shall publish

on the website of the public procurement procedure the following information: 1. The names or full names and the registered offices or places of business, or places of residence of the contractors whose tenders have been opened; 2. The prices or costs included in the tenders.

Information about the dynamic purchasing system:

No dynamic purchase system

Electronic auction: no

5.1.16. Further information, mediation and review

Review organisation: Public Procurement Office

Information about review deadlines: 1. Appeal deadlines are specified in Article 515 of the PPL Act. In the case of contracts whose value is equal to or does not exceed EU thresholds, this deadline shall be: 1) within 10 days of forwarding the information on the Contracting Authority's actions constituting basis for making an appeal provided this information has been forwarded via electronic means of communication; or 2) within 15 days of forwarding the information on the Contracting Authority's actions constituting basis for making an appeal provided this information has been forwarded in a manner other than that specified in subpoint 1). 2. An appeal against the content of the announcement initiating the contract award procedure or against the content of public procurement documents shall be made: within 10 days of the publication of the announcement in the EU Official Journal or placement of public procurement documents on the website. 3. In the cases other than those specified above in item 1 and 2, an appeal shall be made: within 10 days of the day on which the circumstances giving rise to the appeal became known or could have become known with due diligence, in the case of contracts whose value is equal to or exceeds the EU thresholds. 4. If the Contracting Authority has not made a notice on the intention to conclude an agreement or, despite such an obligation, has failed to send the Contractor a notice on the selection of the most advantageous tender, an appeal shall be made no later than: 1) within 30 days of the publication of the notice on contract award in the EU Official Journal, 2) within 6 days of the date of the conclusion of the agreement provided the Contracting Authority has not published

the announcement on contract award in the EU Official Journal. 5. A complaint to the court may be lodged against the ruling of the National Appeal Chamber and the decision of the President of the National Appeal Chamber referred to in Article 519 section 1 of the Act by the parties and participants of the appeal proceedings.
