5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Financial ratio

Description of selection criterion: The applicant must confirm the economic ability in the ESPD part IV.B with information from the latest annual report regarding the following economic indicators: 1. Equity (total equity incl. share capital, reserves, revaluation, retained earning etc.) 2. Equity ratio (equity/total assets). This must be stated with two decimals. If the applicant relies on the capacities of other entities or the applicant is a group of economic operators the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities. It is the sole responsibility of the applicant to secure that the minimum requirements are reached based on consolidation when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators. Minimum requirement: Equity from the latest annual report must, at the time of prequalification, be at least 1,5 Mio. EUR. Equity ratio from the latest annual report must, at the time of prequalification, be at least 20 pct. If the equity ratio is between 15 pct. and 20 pct. The applicant can qualify if Equity exceeds 2 Mio EUR.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Maximum number of tenders passing: 3

Criterion: References on specified services

Description of selection criterion: The suitability of applicants fulfilling the minimum requirements to economic and financial standing will be assessed based on technical and professional ability. The ability will be assessed based on references which can be filled in ESPD part IV.C. The applicant is allowed to submit up to the 2 most comparable and relevant references undertaken in the past 3 years as part of the application. By "undertaken in the past 3 years" implies that the reference must not have been completed prior to the date reached when counting 3 years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, however the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the application, cf. section 2.3. The references should describe support of NOIS or a similar Application as NOIS and include: • Technical support and troubleshooting deliveries (2nd and 3rd level) The reference must include deliveries related to: and 3rd level) o 2nd and 3rd level application support and 3rd level application support o technical troubleshooting of application components, integrations, work-flows, and data flows o handling of incidents (P1–P4), including diagnostics, workarounds, reporting and rootcause analysis cause analysis o coordination with internal customer support, software vendors and infra-structure/hosting providers regarding cross domain issues domain issues • Operations, maintenance, and deployment related deliveries o execution of deployments, configuration changes, and smoke testing across multiple environments (TEST, PRE PROD, PROD) o monitoring, log analysis, performance follow up, and proactive operational maintenance o database support (SQL), data consistency, backup/restore, and environment parity o participation in change processes (Pre CAB, CAB), including documentation and compliance activities • Contract value (if possible) • Date of initiation and final delivery (day, month, year) Any ambiguities and/or incomprehensibilities may have a negative effect on the selection of applicants. Please note

the “description” box in ESPD part IV.C. can contain more text than is visible and it is possible to copy paste text into the box. If the applicant is relying on the capacity of other entities or the applicant is a group of economic operators the maximum number of references to be submitted must still be respected and cannot exceed 2 when combined. If more are submitted, the Contracting Authority will only consider the most recent references determined by date of final delivery, in this case not yet finished references will not be included. If the applicant relies on other entities capacity or is part of a group of economic operators the information concerning ESPD part IV.C must be submitted in separate ESPD’s for each entity. Minimum requirement: Each reference must concern a business#critical application with continuous operational responsibility, including incident handling (P1–P4) and handling of integrations with other Applications, whether internal or external. This includes experience with: 1. Operation and support Including ongoing second level support, error handling and system maintenance. 2.
