**2. Procedure****2.1. Procedure**

Title: Contract for international photography projects

Description: Invest International plans to sign a multi-year contract with Makmende Media BV. We publish this award without prior notice, as we exceed the European threshold of EUR 221.000 if we were to spread the expected spend over a four-year period. Market research shows that Makmende Media has a unique position as being a Dutch media agency that offers access to a worldwide network of photographers and videographers. Their network allows us to relatively easy capture our work around the world, without making a Dutch photographer / videographer fly around the world to do this for us. Also, having local people creating video/photography allows for a more authentic and honest view on the local situation.
