5.1.15. Techniques

Framework agreement:

Framework agreement, without reopening of competition

Maximum number of participants: 1

Justification for the duration of the framework agreement: The framework agreements in accordance with Directive 2009/81/EF cannot, as a starting point, be longer than 7 years.

However, the need for critical service, maintenance and overhaul capacities to ensure support for purchased equipment throughout its life-cycle might justify a longer duration. The Norwegian Defence Materiel Agency will need for service, maintenance and overhaul capacities to ensure support for the tracking radar system for the entire equipment's life cycle. The radar system will have a lifetime of 20 years and the contracting authority therefore needs to support the system throughout this period.

5.1.16. Further information, mediation and review

Information about review deadlines: The prequalification result will be published 20.03.2026. It will be possible to appeal this result within 05.04.2026.
