2. Procedimiento

2.1. Procedimiento

Título: Concession for user controlled personal assistance (BPA) 2026

Descripción: The contracting authority invites tenderers to a competition for a service concession contract for user-controlled personal assistance (BPA).

Identificador del procedimiento: c5d4a5fb-44e2-403a-bd70-d5dd2118883a

Identificador interno: 2026/5162

Principales características del procedimiento: The contracting authority has organised user-controlled personal assistance (BPA) service as a scheme with free user choice. The scheme is organised by entering into service concession contracts. All risk lies with the tenderer, as the tenderer will depend on the user choice for getting an assignment. Each work manager will, after the service has been granted, choose the tenderer. As long as the contracting authority receives a sufficient number of suitable tenders, a service concession contract shall be signed with up to 5 tenderers for the delivery of BPA. The service concession contract will be valid for 4 years, with an option for the contracting authority to extend the contract for 1+1 year (total 6 years). The contract will be based on NS 8435:2025 General contract terms for user controlled personal assistance (BPA) with the accompanying form A and B. Amendments and additions are stated in form A. Amendments and addition to form B is stated in form B. NS 8435:2025

must be purchased from standard Norway (www.standard.no). A service concession contract shall be signed with each individual municipality in separate contract documents. The price for the service is fixed by the contracting authority and stated in form A. The price will be the same for all contracts for user-controlled personal assistance that will be entered into in the service concession scheme. The price shall include all of the tenderer's costs in accordance with NS 8435:2025 point 9.1. Reservations can be made on the price or price model. In 2025 the municipalities purchased BPA services for: Fredrikstad: approx. NOK 102 millionWhales: municipality approx. NOK 3.6 million: municipality approx. NOK 4.7 millionMaximal contract value over 6 years per municipality: Fredrikstad NOK 765 million: 51 millionRåde: 51 millionThe volume is only an estimate and is not binding for the contracting authority. This is only an estimate that is meant to give tenderers a guideline to the extent of the contract and the scope may deviate from this during the contract period. The volume will depend on, among other things, the number of activities, budgetary situation and other framework factors in the contract period. Fredrikstad municipality currently has 56 individual schemes at external BPA suppliers. This amounts to a total of approx. 3,836 decision hours per week. Hvaler municipality currently has 4 schemes for external BPA suppliers. Råde municipality currently has 5 schemes for external BPA suppliers. The contracting authority currently also operates the BPA schemes itself. The user will be able to choose between external suppliers and the municipal BPA scheme. The users will make selections of tenderers in accordance with new service concession contracts. See the requirement specifications, annex 1 for further information on the procurement's value and content.

Participación reservada:

La participación no está reservada.

5.1.9. Criterios de selección

Fuentes de los criterios de selección: Documento europeo único de contratación (DEUC), Anuncio, Documento de contratación

Criterio: Inscripción en un registro mercantil

Descripción del criterio de selección: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterio: Otros requisitos económicos o financieros

Descripción del criterio de selección: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for collateral will be sufficient to meet the requirement. The contracting authority will evaluate the tenderer's fulfilment of the requirement in the following manner: - A credit rating based on the most recent financial figures. The rating shall be carried out by a credit rating company with licence to conduct this service. - The credit rating shall have a minimum rating of creditworthy. - Newly established companies, or companies that are rated lower than credit worthy, can instead submit a parent company guarantee or a bank guarantee that can document sufficient economic and financial capacity to fulfil the contract obligations. - If a parent company guarantee is submitted, the parent company will be rated in an equivalent way so the requirement for creditworthiness thus applies to the parent company. See the annex parent company guarantee. If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate.

Criterio: Referencias sobre servicios específicos

Descripción del criterio de selección: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall have experience from comparable contracts. Documented by a description of the tenderer's up to 3 most relevant assignments in the course of the last 3 years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider.
