Descripción: The contracting authority estimates that the procurement of relief measures and inspections during access will have an immaterial climate footprint and environmental impact. The procurement is for the provision of services in the form of work input from human resources who shall carry out the assignment, and the nature of the procurement is, thus, a service procurement. Any climate footprint and environmental impact connected to the execution of the assignment are considered to be outside of what is naturally covered by the nature of the procurement. The contracting authority will, based on the above, use the exclusion provisions in the procurement regulations § 7-9 fifth paragraph and award criteria will not be set in this area.
