- q) Receiving and responding to Works Orders and Instructions through electronic means.
- r) Traffic Management.
- s) Working with Services / Utilities
- t) Other associated ancillary works.

Within each of the Contracts, the Successful Economic Operator will be required to carry out any such works instructed by a Works Order issued under the provisions of the contract. Such works will require a standard of works delivery consistent with that defined in the Tender Documents. Reimbursement to the Successful Economic Operator for such works will be paid to the Successful Economic Operator generally on the basis of applicable rates and prices. Details of the contracts pricing mechanisms will be provided in the Tender Documents. For each of the Contract Areas, it is likely that the Successful Economic Operator will be required to work at more than one location at any one time in order to meet the requirements of Transport NI's programme of work for each of the Contract Areas. The Successful Economic Operator will be expected to have sufficiently skilled and available resources necessary to meet the requirements of such a programme and will be required to, include in his rates and prices for the inevitable peaks and troughs that will be inherent in any such programme. Such peaks and troughs may result from a variety of circumstances, not all within the control of Transport NI.

II.2.7. Duración del contrato, acuerdo marco, concesión o sistema dinámico de adquisición

Duración en meses: 60

Código postal: BT36 4TZ

País: Reino Unido

El contratista/concesionario es una PYME: no

VII.2. Información sobre las modificaciones

VII.2.1. Descripción de las modificaciones

Naturaleza y alcance de las modificaciones (con indicación de posibles cambios anteriores del contrato):

Contract Value: Total estimated maximum contract value increased from £ 9,000,000 to £14,400,000 for remainder of contract period.

NB - Does Not cover indexation

Contract Duration: Extension of time by 12 months

VII.2.2. Justificación de la modificación

Necesidad de modificación derivada de circunstancias que un poder adjudicador diligente no podría prever [artículo 43, apartado 1, letra c), de la Directiva 2014/23/UE; artículo 72, apartado 1, letra c), de la Directiva 2014/24/UE y artículo 89, apartado 1, letra c), de la Directiva 2014/25/UE]

Descripción de las circunstancias que hicieron necesaria la modificación y explicación de la naturaleza imprevista de estas circunstancias:

Contract Value: This contract has been affected by additional work requirements subsequent to its commencement in 2016 that could not have been foreseen, including funding for LED retrofitting, public realm works and enhancing streets and sites within council areas. Contract Value increased from £9,000,000 to £14,400,000. Contract Duration: The contract period has been extended, it was extended initially by 6 months beyond the contract term due to Covid-19 workload restriction. A further 6 months extension has been given as the Covid-19 pandemic continues to have an impact on the ability of DfI to develop tender competitions and the roads construction industry to respond to tender opportunities.

VII.2.3. Aumento de precio

Valor total actualizado del contrato antes de las modificaciones (habida cuenta de las posibles modificaciones anteriores del contrato y las adaptaciones en cuanto al precio, así como, en el caso de la Directiva 2014/23/UE, la inflación media en el Estado miembro en cuestión)

Valor IVA excluido: 9 000 000,00 GBP

Valor total del contrato tras las modificaciones

Valor IVA excluido: 14 400 000,00 GBP
