### 2.1. Procedimiento

Título: 23012 - Procurement of a Specially fitted Palette hanger

Descripción: The objective of the procurement is to enter into a contract for the procurement of a specially fitted palette hanger for transport to and from DNO&B in connection with handling palettes from district stores where the scenes are stored. The palettes are included in an automated high storage system. The offered system shall have the same functional mode of operation as the existing palette hanger at the contracting authority. The offered technical system does not need to be identical with the current system. It is, however, a requirement that the system's functionality, physical location and communication compatibility with the existing warehouse management system is maintained fully, so that interaction with the current systems is taken care of without the need for changes at the contracting authority.
