5.1.9. Criterios de selección

Fuentes de los criterios de selección: Anuncio, Documento de contratación

Criterio: Inscripción en un registro mercantil

Descripción del criterio de selección: Requirement: Tenderers shall have their tax, payroll tax and VAT payments in order. Tax certificate not older than six months calculated from the tender deadline. Tax certificate means: For Norwegian tenderers: • Tax and VAT certificate issued by the tax office via Altinn. Foreign tenderers: • Foreign tenderers must submit equivalent certificates from their own country that show that they have an arrangement for the payment of taxes and duties. If the authorities in the relevant country do not issue such

certificates, the tenderer shall submit a statement which states that all taxes and duties have been paid. The declaration shall be approved and signed by the tenderer's Financial Director/ person responsible for Finance.

Criterio: Inscripción en un registro profesional relevante

Descripción del criterio de selección: Requirement: The tenderer shall be a legally established company. Documentation requirement: Norwegian tenderers: • Company Registration Certificate. The contracting authority will obtain a company registration certificate from the Brønnøysund Register Centre for Norwegian tenderers. The Norwegian tenderers shall therefore not enclose a company registration certificate. Foreign tenderers: • Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

Criterio: Ratio financiero

Descripción del criterio de selección: Requirement: The tenderer shall have the financial strength to be able to fulfil the contract. Documentation requirement: The tenderer's Annual Financial Statements including notes with the Board's and auditor's reports from the last two financial years (2025 and 2024). If the Annual Financial Statements for the last year are not finished before the tender deadline for this competition expires, the last year's preliminary annual accounts, as well as annual accounts from 2023, should be enclosed. The contracting authority reserves the right to carry out a credit assessment from a certified credit information agency (Experian, Dun & Bradstreet, etc.). The financial strength will be assessed on the basis of relevant key figures. The contracting authority will obtain revised annual accounts from the Brønnøysund Register Centre for Norwegian tenderers. The Norwegian tenderers shall therefore not deliver revised annual accounts.

Criterio: Medidas para garantizar la calidad

Descripción del criterio de selección: Requirement: Tenderers shall have the ability to fulfil the contract. Documentation requirement: A short, overall description of the company shall be submitted, of maximum two A4 pages, which documents the tenderer's implementation ability for the framework agreement. The description shall as a minimum include the following: 1) Core competence • A general account of the tenderer's core competence and professional main areas, related to the delivery description in SSA-R annex 1. • The description shall particularly highlight relevant competence within transport, public transport, mobility, area planning, infrastructure and other relevant mobility areas. 2) Business Description • Brief overview of the company's history, organisation and ownership. • Description of the current business, including size, geographical presence and main types of assignments. 3) Organisation and capacity for the execution of the contract • General description of how the tenderer is organised in order to provide consultancy services under this framework agreement. • Description of the company's total capacity and available professional environments that are relevant for the delivery areas. • A general overview of the types of competence and roles that the tenderer has at their disposal (e.g. planners, analysts, project managers), without individual naming. 4) Use of sub-suppliers • General description of any use of sub-suppliers. • If a tenderer uses sub-suppliers, an overview shall be provided of how capacity and competence is divided between the main supplier and sub-supplier(s), at a general level. Clarification: CVs, named resources or concrete manpower proposals shall not be submitted in this phase. The documentation shall be at a general business and professional environment level. CVs and concrete manpower will first be requested in the tender phase. Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Referencias sobre entregas específicas

Descripción del criterio de selección: Requirement: Tenderers shall have experience from relevant and comparable deliveries. Relevant and comparable deliveries means completed consultancy assignments that include assistance in one or several of the following areas: • transport or public transport, • mobility or area planning • development, analysis or further development of mobility services. • assessment of consequences for infrastructure measures for public transport and mobility, particularly within electrification. • Analysis, insight and review work, particularly within mobility. • project management or professional assistance, particularly in projects related to mobility and infrastructure for roads and energy. It is sufficient that the references together fulfil the experience requirement. Reference projects carried out by the tenderer or supporting companies can only be given. References based on individual employees' previous experience from other organisations will not be accepted. Documentation requirement: A description of the tenderer's up to three (3) most relevant and comparable assignments in the last three (3) years. Tenderers shall document fulfilment by filling in the attached template for reference descriptions. See annex D - Template for reference descriptions. The overview of the deliveries shall as a minimum contain the following: • Name of the contracting authority. • Date of execution • The contract's value in nok • Brief description of the delivery

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Certificados por organismos independientes sobre normas de aseguramiento de la calidad
