5.1.9. Criterios de selección

Fuentes de los criterios de selección: Documento de contratación, Anuncio

Criterio: Inscripción en un registro profesional relevante

Descripción del criterio de selección: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014 /24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Point 6.2 The tenderer's organisational and legal position Qualification Requirement: Tenderers shall be a legally registered company. Documentation requirement: Company Registration Certificate, or equivalent from the country where the company is registered. Documentation must not be enclosed for tenderers registered in the Norwegian Register of Units. The contracting authority will check the registration by using the organisation number stated in the tenderer's Merccell profile. Tenderers who are not registered in the above register must present a certificate or confirmation (equivalent company registration certificate) for registration in a trade or business register as prescribed by the law of the country where the tenderer is established. Such a certificate shall not be issued more than six months before the tender deadline.

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Otros requisitos económicos o financieros

Descripción del criterio de selección: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Point 6.3 Economic and financial capacity. Qualification requirement: Tenderers shall be credit worthy and have sufficient economic and financial capacity to fulfil the contract. Documentation requirement: Credit evaluation/rating, assessment made in CreditPro, D&B, Bisnode AS or an equivalently certified credit information agency, not older than 3 months, based on the last known accounting figures. The income ratio, degree of liquidity, solidity, debt ratio and turnover shall be in the rating. For companies that cannot be credit rated, approved accounting figures shall show satisfactory good credit worthiness and sufficient financial implementation ability /capacity. This will be assessed based on an overall assessment based on the following parameters: result degree, degree of liquidity, solidity, debt ratio and turnover. If a tenderer cannot present the above mentioned documentation, or would like to document that it gives a misleading picture of his financial situation, he shall prove his economic and financial position, using another document of relevance to the company's fiscal figures/finances. Tenderers shall in particular justify why the requested documentation possibly cannot be delivered or gives a misleading picture. Any guarantees and insurances given by a third party must cover all the financial losses that may arise due to non fulfilment of the contract. Any guarantors must document that they independently fulfil the qualification requirement for finances. The contracting authority reserves the right, nevertheless, to obtain financial information from other

sources (e.g. own credit rating) if there is uncertainty as to whether the requirement is fulfilled or not. Such a decision must not be justified. All the obtained and any submitted information will form the basis for an overall assessment of whether the qualification requirement is fulfilled. Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Referencias sobre servicios específicos

Descripción del criterio de selección: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Point 6.4 Technical and professional qualifications. 6.4.1 Qualification Requirements: Tenderers shall have carried out relevant deliveries in the last three (3) years. Relevant means experience from contracting authorities with equivalent service requirements, volume and/or complexity. Documentation requirement: A description shall be given of the most relevant deliveries with equivalent complexity and need in the last three (3) years. Three (3) references are requested. It must be clearly stated that assignments have been carried out with clear relevance regarding service level, volume and/or complexity. Use Annex 5 to the Competition Rules. Template for the reference form in the reply. References shall as a minimum be described with the following information: Customer Name Contact information at the contracting authority; name, position, email and telephone number. Brief description of the contract and previous work Time period and duration Size and number of users References can be contacted and controlled. This contact information must be provided. If a tenderer will use capacity from a parent company or other binding statement, see "Annex 2 Commitment Statement".

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Técnicos o entidades técnicas para el control de calidad

Descripción del criterio de selección: Tenderers can use the following technical personnel or technical units, particularly those who are responsible for quality control: For technical personnel or technical units that do not directly belong to the tenderer's business, but if the capacity the tenderer will use, cf. part II, section C, separate ESPD forms shall be supplemented. Minimum qualification requirements Point 6.4 Technical and professional qualifications. 6.4.2 Qualification requirement: Tenderers shall have sufficient implementation ability. Documentation requirement: Tenderers shall give a general description of the company's available resources for the requested delivery. If collaborating partners or sub-suppliers must enclose a Commitment Statement (Annex 2 to the Instructions to the tenderer's "Commitment Statement"). It is important that it is clearly stated in which area the collaboration partners or sub-suppliers contribute, cf. the above description.
