Título: TenneT - insurance broker services

Descripción: Tender Description – Insurance Brokerage Services TenneT intend to procure comprehensive insurance brokerage services covering its activities in Germany (TenneT TSO GmbH) and the Netherlands (TenneT TSO B.V.). The procurement is structured into three separate lots (the “Lots”), for which bidders may submit offers for one, several, or all Lots. The objective of this procurement is to appoint one or more highly qualified insurance broker(s) capable of delivering high-quality, proactive, and strategic support across the full insurance lifecycle, ensuring optimal coverage, competitive pricing, and efficient claims handling for complex onshore and offshore operations as well as specialty risks. The contracting authorities are TenneT TSO GmbH & TenneT TSO B.V. TenneT is a leading European Transmission System Operator (TSO) with its main activities in the Netherlands and Germany. TenneT is one of the largest investors in national and international electricity grids on land and at sea. Our focus is on developing an integrated Northwest European energy market and facilitating the energy transition. TenneT is committed to meeting society's needs by being responsible, engaged and connected. Tender Procedure TenneT is a "contracting entity" subject to the Public Procurement Act 2012. The notice for this Call for Competition will be published via tender platform Mercell Source-to-Contract to the Official Journal of the European Union available at <http://ted.europa.eu>. The Call for Competition will be based on the negotiated procedure with prior publication, which means that initially an interested market party may apply as a Candidate. Details on general tender procedure can be found in the document "Procedure Guidelines". Lots The scope of services is divided as follows: Lot 1: Onshore Policies – Engineering / Property / Liability Lot 2: Offshore Policies – Engineering / Property / Liability Lot 3: Specialty Policies handled from Netherlands Lot 4: Specialty Policies handled from Germany Each Lot comprises advisory, placement, and ongoing servicing of insurance solutions tailored to the respective risk profiles. Scope of Services The selected broker(s) shall provide end-to-end insurance brokerage services, including but not limited to

the following service components: Team & Availability: Provision of a qualified, experienced, and dedicated service team with sufficient capacity and availability. The broker shall ensure continuity of key personnel and provide clear escalation paths. Broking & Policy Management: Strategic advice on insurance design and structuring, market analysis, placement and renewal of insurance programs, preparation and negotiation of policy wordings, and ongoing policy administration. Claims Management: Proactive claims handling and support throughout the entire claims lifecycle, including notification, coordination with insurers, advocacy on behalf of the contracting authority, and monitoring of claims performance. Reporting, KPIs & Performance Management: Regular, structured reporting on program performance, market developments, claims experience, and premium evolution. Definition, monitoring, and continuous improvement of agreed key performance indicators (KPIs). Transition & Onboarding: Seamless transition from incumbent arrangements, including structured onboarding, data transfer, and implementation of service processes ensuring uninterrupted coverage and service continuity. Geographic Scope All services must be provided for both the German and Dutch entities of the contracting authority. The broker is expected to demonstrate sufficient local presence, regulatory capability, and market access in both jurisdictions to ensure compliant and effective service delivery. In order to protect the confidentiality of the information provided by the client in the tender documents, it is mandatory to conclude a confidentiality Agreement as per "NDA" document provided for download via Mercell. Please send the signed and stamped copy to: holger.duba@tennet.eu After sending the NDA and a plausibility check by the Client, the Client will grant the interested parties access to the tender by Email. After registering for the tender at Mercell Source-to-Contract, you will find all tender documents in the call for competition phase under "Questionnaires", section "Call for Competition", question 1.1. The bidder can not deduce eligibility for participation only from signing and submitting the NDA. TenneT will only accept tenderers who successfully qualify during the call for competition phase to participate in the offer phase. The application for the call for competition must be submitted in due time and no later than by 10.07.2026 at 12:00 CET via the e-Award platform Mercell Source-to-Contract. Individual extensions of time will not be granted. Please start your upload process early enough. Submission of the request to participate (applications) by Email, mail or fax are not permitted. A violation of this requirement will lead to disqualification of the applicant and exclusion from the tender process. Please make sure to familiarize yourself with the Schedule, Questionnaires, Messages section and the Q&A section early enough and thoroughly read through all relevant documents. In case of technical difficulties, please reach out to Mercell: Servicedesk Mercell: support-nl@mercell.com Phone: +31 (0) 85-001 4593 Opening hours: 9:00-17:00 CET

Likewise, no corresponding application has been rejected due to lack of assets. Furthermore, there is no confirmation from the insolvency administrator regarding the legally binding confirmation of an insolvency plan (Section 258 InsO); # The company is not in liquidation.

Criterio: Medidas para garantizar la calidad

Descripción del criterio de selección: Self-Declaration Regarding the "Russia Sanctions Package" / Article 5k (3) of Council Regulation (EU) 2022/576 of 8 April 2022 1. The bidder is familiar with Regulation (EU) No 833/2014, as amended by Regulation (EU) 2022/576. This Regulation imposes, among other things, sanctions against Russia, Russian companies, Russian nationals, or natural or legal persons established in Russia, as well as products and materials originating in Russia. 2. The bidder is not one of the persons or companies associated with Russia within the meaning of Article 5(k)(1) of Regulation (EU) 2014/833, as amended by Article 1(23) of Council Regulation (EU) 2022/576 of April 8, 2022, concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine: The bidder is not a Russian national or a natural or legal person, organization, or entity established in Russia No more than 50% of the bidder's ownership rights/shares are directly or indirectly held by a Russian national or a natural or legal person established in Russia, or by a company to which any of the criteria under letter a) apply The bidder is not acting on behalf of or at the direction of persons or entities to which the criteria in subparagraphs (a) and/or (b) apply. 3. The persons or companies involved in the contract as subcontractors, suppliers, or companies, and whose services account for more than 10% of the contract value, also do not belong to the group of persons referred to in this declaration or have a connection to Russia within the meaning of this declaration. 4. The bidder confirms and ensures that, even during the term of the contract, no subcontractors, suppliers, or companies will be engaged whose services account for more than 10% of the contract value and who do not belong to the group of persons/companies specified in No. 3 of this declaration. The bidder agrees that if it is determined (at a later date) that incorrect and/or incomplete information was provided, the bidder may be excluded from further participation in the tender procedure and/or any agreement (possibly) already concluded for this reason may be rescinded or terminated without financial consequences for TenneT.

Criterio: Seguro de indemnización por riesgos profesionales

Descripción del criterio de selección: Professional Indemnity / Liability Insurance Insurance with a minimum coverage of EUR 5,000,000.00 is required if the contract is awarded. The bidder has two options for demonstrating compliance in this area: Option 1: The bidder has already taken out insurance with the required coverage amounts. Proof is provided by uploading a corresponding insurance confirmation. Option 2: The bidder has not yet taken out insurance with the required coverage amounts. However, the bidder undertakes to take out insurance with the required coverage amounts immediately upon being awarded the contract, to maintain it for the duration of the contract term, and to submit a corresponding certificate unsolicited at the start of the contract term. As security, the bidder shall, to the extent possible, provide a letter of intent from their insurer confirming that the insurer will provide the required insurance and coverage (in the event the bid is awarded). The letter of intent must be uploaded. Note on the formation of a consortium: In the case of a bidder consortium, at least one member of the consortium must meet the respective insurance requirements. Please upload proof of insurance coverage.

Criterio: Referencias sobre servicios específicos

Descripción del criterio de selección: References As part of the request to participate, the applicant confirms that it has at least two suitable references demonstrating the provision of services comparable in nature (comparable insurance lines) and complexity (multinational insurance programs; multi line insurance portfolios) to the respective lot(s) applied for. Upon written request from the contracting entity the applicant has to show and submit referenced projects in written within 5 calendar days. The references must specifically relate to the lot(s) and insurance lines for which the applicant submits its application. The use of the same reference for more than one lot is permitted, provided that the comparability of services is ensured for each respective lot. The reference documentation shall include at least the following information: Client (including contact person, if available), Description of the services provided, description of insurances covered; Period of performance, Contract value or qualitative indication of scope, Indication of the respective lot and/or explanation of comparability. 5.1.10. Criterios de adjudicación

Criterio:

Tipo: Precio

Nombre: Price

Descripción: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.

5.1.10. Criterios de adjudicación

Criterio:

Tipo: Precio

Nombre: Price

Descripción: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= “best price”) receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.

Criterio: Autorización o pertenencia a una organización particular necesaria para contratos de servicios

Descripción del criterio de selección: Information on the Applicant / Member of the consortium
Information on the Applicant/Member of the Bidding Consortium Submission of a document showing the bidder's complete information. In the case of a bidding consortium, each member must submit the relevant information. The information includes in particular: full name, legal representatives, full address, internet address, contact person incl. telephone number and e-mail address. Please use the provided form A1. The application as a bidding consortium is admitted. A bidding consortium is treated like an individual applicant (Section 50 § 2 SektVO). If applicants are addressed in the tender documents, this also refers to the joint form of participation of a bidding consortium. In this respect, regulations which specifically are related to bidding consortia, exclusively use the term "Bidding Consortium." The bidding consortium shall nominate an authorized representative for the conclusion and implementation of the contract and who signs form A1. The authorized representative shall be available to the contracting entity as the contact person of the bidding consortium in this tendering procedure. Members of the bidding consortium shall jointly complete the form "Statement of Bidding Consortium", which also names the authorized representative.

Likewise, no corresponding application has been rejected due to lack of assets. Furthermore, there is no confirmation from the insolvency administrator regarding the legally binding confirmation of an insolvency plan (Section 258 InsO); # The company is not in liquidation.

Criterio: Medidas para garantizar la calidad

Descripción del criterio de selección: Self-Declaration Regarding the "Russia Sanctions Package" / Article 5k (3) of Council Regulation (EU) 2022/576 of 8 April 2022 1. The bidder is familiar with Regulation (EU) No 833/2014, as amended by Regulation (EU) 2022/576. This Regulation imposes, among other things, sanctions against Russia, Russian companies, Russian nationals, or natural or legal persons established in Russia, as well as products and materials originating in Russia. 2. The bidder is not one of the persons or companies associated with Russia within the meaning of Article 5(k)(1) of Regulation (EU) 2014/833, as amended by Article 1(23) of Council Regulation (EU) 2022/576 of April 8, 2022, concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine: The bidder is not a Russian national or a natural or legal person, organization, or entity established in Russia No more than 50% of the bidder's ownership rights/shares are directly or indirectly held by a Russian national or a natural or legal person established in Russia, or by a company to which any of the criteria under letter a) apply The bidder is not acting on behalf of or at the direction of persons or entities to which the criteria in subparagraphs (a) and/or (b) apply. 3. The persons or companies involved in the contract as subcontractors, suppliers, or companies, and whose services account for more than 10% of the contract value, also do not belong to the group of persons referred to in this declaration or have a connection to Russia within the meaning of this declaration. 4. The bidder confirms and ensures that, even during the term of the contract, no subcontractors, suppliers, or companies will be engaged whose services account for more than 10% of the contract value and who do not belong to the group of persons/companies specified in No. 3 of this declaration. The bidder agrees that if it is determined (at a later date) that incorrect and/or incomplete information was provided, the bidder may be excluded from further participation in the tender procedure and/or any agreement (possibly) already concluded for this reason may be rescinded or terminated without financial consequences for TenneT.

Criterio: Seguro de indemnización por riesgos profesionales

Descripción del criterio de selección: Professional Indemnity / Liability Insurance Insurance with a minimum coverage of EUR 5,000,000.00 is required if the contract is awarded. The bidder has two options for demonstrating compliance in this area: Option 1: The bidder has already taken out insurance with the required coverage amounts. Proof is provided by uploading a corresponding insurance confirmation. Option 2: The bidder has not yet taken out insurance with the required coverage amounts. However, the bidder undertakes to take out insurance with the required coverage amounts immediately upon being awarded the contract, to maintain it for the duration of the contract term, and to submit a corresponding certificate unsolicited at the start of the contract term. As security, the bidder shall, to the extent possible, provide a letter of intent from their insurer confirming that the insurer will provide the required

insurance and coverage (in the event the bid is awarded). The letter of intent must be uploaded. Note on the formation of a consortium: In the case of a bidder consortium, at least one member of the consortium must meet the respective insurance requirements. Please upload proof of insurance coverage.

Criterio: Referencias sobre servicios específicos

Descripción del criterio de selección: References As part of the request to participate, the applicant confirms that it has at least two suitable references demonstrating the provision of services comparable in nature (comparable insurance lines) and complexity (multinational insurance programs; multi line insurance portfolios) to the respective lot(s) applied for. Upon written request from the contracting entity the applicant has to show and submit referenced projects in written within 5 calendar days. The references must specifically relate to the lot(s) and insurance lines for which the applicant submits its application. The use of the same reference for more than one lot is permitted, provided that the comparability of services is ensured for each respective lot. The reference documentation shall include at least the following information: Client (including contact person, if available), Description of the services provided, description of insurances covered; Period of performance, Contract value or qualitative indication of scope, Indication of the respective lot and/or explanation of comparability. 5.1.10. Criterios de adjudicación

Criterio:

Tipo: Precio

Nombre: Price

Descripción: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.

Categoría del criterio de adjudicación de peso: Ponderación (porcentaje, exacto)

Criterio de adjudicación: número: 30

Criterio:

Tipo: Calidad

Nombre: Methodology & Scope of Work

Descripción: Evaluation of Methodology and scope of work, including team, broking + market access, policy management, claims management. Within the qualitative award criteria, a comparative evaluation of the bidder's quality and expertise is conducted. The individual (sub) criteria are evaluated on a scale of 0 to 10 points, taking into account all relevant statements and supporting documentation submitted, with 10 points representing the best rating and 0 points the worst: • 9 to 10 points: very high degree of target fulfillment: if the information in the

bid meets the requirements to a particularly high degree • 7 to 8 points: high degree of target fulfillment: if the information in the bid meets the requirements and indicates that services will be provided properly • 5 to 6 points: moderate degree of target fulfillment: if the information in the bid contains deficiencies • 3 to 4 points: low degree of target fulfillment: if the information in the bid exhibits significant deficiencies and does not indicate that services will be provided properly. • 0 to 2 points: very low degree of target fulfillment: if the information in the bid exhibits very significant deficiencies and does not indicate that services will be provided properly. Minimum quality requirements: Taking into account the complexity and criticality of the services to be procured, TenneT requests a minimum threshold of 5 points for the individual qualitative criteria. For tenders that receive a score of less than 5 points in any individual qualitative award criterion, TenneT holds the right to exclude the bidder from further participation in the procurement procedure.
