Título: Audiovisual Services The Business Booster 2026

Descripción: 2025 InnoEnergy carried out the 13th edition of The Business Booster (TBB), InnoEnergy's main external event aiming at fostering the link between the industry, investors, start-ups and policy makers. The event took place in Lisbon on October 22-23 with more than 1,800 attendants from 46 different countries. There were 117 start-ups exhibiting and pitching and more than 3,000 business meetings organized through our B2B tool. The topic in 2025 was "Clean industrial electrification: Powering our planet, our economy and our security". InnoEnergy is seeking proposals from professional AV companies to select a supplier for TBB 2026. We are looking for a provider with a strong background in audiovisuals for international congresses and exhibitions. The purpose of this document is to outline what is required as well as provide a fair evaluation for all candidates and highlight the criteria by which the selection will be made. The event: The Business Booster by InnoEnergy • Number of attendees: 1800+ people • Location: Messe Munich, Germany • Event dates: 28 and 29 October 2026 • Set-up date: 26-27 October • Breakdown: evening of 29 October and 30 October TBB. by InnoEnergy is an outstanding innovation event, connecting leading industries and bright minds from business start-ups (and SMEs) as a means of providing tomorrow's sustainable energy solutions today. The aim of the event: to increase connectivity between ventures/SMEs and industry, to ensure their commercial success, which will then contribute to KIC InnoEnergy's own sustainability.
