Título: Procurement of security guard services Stavanger
Descripción: The contracting authority would like to enter into contracts for alarm reception and security guard services for the contracting authority's premises located in Verven 4 in Stavanger. The contracting authority's buildings are approx. 800 m² and there are a total of approx. 120 employees in the premises. We need a contract with a security guard company who can scramble at very short notice when the alarm goes off. There will be requirements for limited jerk time in the competition which will require local office, response time should not exceed 15 min. A security guard is also required to go through the buildings in the evening /night. The contracting authority draws attention to the fact that the security guards who shall carry out the services must be security cleared for the CONFIDENTIAL level. A site inspection will be held with all tenderers Wednesday 24 June, 12:00 at Kartverket, Stavanger. Delivery of classified requirements and signing of a security contract. Tenderers can provide up to 2 persons for the site inspection. Tenderers must notify the contracting authority in advance which persons are intended to participate in the site inspection/information meeting. See the tender documentation and requirement specifications for further information. Annex 2 - The graded requirements will be presented upon site inspection and sent in return to the Norwegian Mapping Authority in a double envelope.
