Participación reservada:

La participación no está reservada.

La contratación pública está cubierta por el Acuerdo sobre Contratación Pública (ACP): no

Información complementaria: Please consult the document 'User Manual – process Upload Request – Qualification Phase' for more information. A PDF of the request to participate and all requested annexes shall be uploaded on the Coupa Supplier Portal. Each candidate will have to request via procurement@fluxys.com access to the appropriate protected folder on this platform. The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form. Requests to participate must be structured as follows: 1. Name of Bidder 2. Legal form of company 3. Date of registration 4. Country of registration 5. Registration number 6. VATnumber 7. Registered address of company 8. Person(s) authorized to sign contracts (together or alone) on behalf of the company [Sur-name, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...)] 9.

Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone

number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. 11. [...] Legal form to be taken by the group of economic operators to whom the contract is to be awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability towards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorised by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities, whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.

5.1.9. Criterios de selección

Fuentes de los criterios de selección: Anuncio

Criterio: Otros requisitos económicos o financieros

Descripción del criterio de selección: The candidate must have the necessary economic and financial standing to perform the contract. Proof of the candidate's economic and financial standing may be furnished by one or more of the following references: - the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established; - a statement of the economic operator's overall turnover of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading. This criterion applies to the candidate as a whole, i.e. through the combined capacity of all members of the group in case of a group of economic operators

Criterio: Media anual de personal

Descripción del criterio de selección: The candidate must have an average yearly turnover of at least EUR 1.000.000

Criterio: Ratio financiero

Descripción del criterio de selección: In reference to financial statements to be provided, the following financial ratios shall be met: (i) Current ratio (i.e. current assets divided by current liabilities) must be above 1.0; and (ii) Solvency ratio (i.e. equity divided by total assets) must be above 20%. In the event the economic operator does not meet the aforementioned ratios and/or the economic operator is not able to provide a parent company guarantee of any other entity pursuant to 5.1.6, it shall provide, latest with Final Offer, an unconditional, irrevocable and first demand bank guarantee as per Belgian law in the amount of 5% of the total value of the contract for each of the conditions breached, guaranteeing the performance by the economic operator of its obligations arising out of this Contract Notice (if the contract were not to be awarded to the economic operator; such bond will be ended during Stand Still period).

Criterio: Seguro de indemnización por riesgos profesionales

Descripción del criterio de selección: The candidate must also provide evidence of the following insurance policies which will be maintained during the whole period of the contract: o General liability towards passengers o General liability towards non-transported third parties The policy contains buy-backs of exclusions with regard to exclusions AVN 38 (Aviation Radioactive Contamination Exclusion Clause) and AVN 48B (War, Hijacking and Other Perils Exclusion Clause). Both with a minimum amount covered of 5.000.000 € per occurrence. Fluxys will be named co-insured in the above-mentioned insurance contracts

Criterio: Gestión de la cadena de suministro

Descripción del criterio de selección: Logistics allowing timely processing of observations For each flight departure/ arrival point the Candidate will provide a letter of engagement providing details of its operational office(s) for performance and the distance between this office and the flight departure/arrival point (max 5 km).

Criterio: Medidas para garantizar la calidad

Descripción del criterio de selección: Sufficient experience in commercial helicopter flights The candidate will provide a letter of engagement with a annual flight hour summary covering at least the last 24 months. The document should clearly indicate: o The number of flight hours per year o The nature of the flight (e.g. commercial operations, private, training) This criterion applies to each member of the group in case of a group of economic operators. The minimum required is ≥ 400 hours of commercial flights/ 12 months over a period of 24 months.

Criterio: Certificados de institutos de control de calidad

Descripción del criterio de selección: Legal compliance The Candidate's technical and professional ability to comply with legal requirements shall be demonstrated by providing a copy of both of the following documents: o his own Air Operator's Certificate (AOC). o his own SPO (Specialised Operations high risk declaration), which is valid for "aerial photography" and /or "aerial monitoring". The declaration must be at least two years old, so as to ensure that audits have been carried out and that the operator complies with the legal requirements

Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. 11. [...] Legal form to be taken by the group of economic operators to whom the contract is to be awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability towards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorised by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities, whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.
