1. Comprador

1.1. Comprador

Denominación oficial: EDF Renouvelables

Correo electrónico: jerome.maugard@edf-re.fr

Naturaleza jurídica del comprador: Empresa pública

Actividad de la entidad adjudicadora: Actividades relacionadas con la electricidad

2. Procedimiento

2.1. Procedimiento

Título: Offshore Wind – Long term Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind

Descripción: Long term Framework Agreement for an approximative duration of 5 years with a potential start date between 2029 and 2030 offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind. The Framework Agreement includes optional scope related to Engineering, Management, Asset Operation
Identificador del procedimiento: aeef818d-b59d-4181-a79d-82c927fb76d6

Identificador interno: Offshore Wind – Long term Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind

Tipo de procedimiento: Negociado con publicación previa de un anuncio de licitación / licitación con negociación

2.1.1. Finalidad

Naturaleza del contrato: Servicios

Clasificación principal (cpv): 76521000 Servicios de instalaciones en alta mar

Clasificación adicional (cpv): 71318000 Servicios de asesoramiento y consultoría en ingeniería , 76300000 Servicios de perforación

2.1.2. Lugar de ejecución

En cualquier lugar

Información complementaria: Performance of the services will be requested in different geographical areas worldwide including but not limited to Europe, USA and APAC.

2.1.4. Información general

Información complementaria: Candidates shall download documents and submit their applications via the appropriate Procurement Notice referenced "AVIS007394 ". Offshore Wind – Long term Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind" in the EDF Group Procurement Portal <https://pha2.edf.com>

Base jurídica:

5. Lote

5.1. Lote: LOT-0001

Título: Offshore Wind – Long term Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind

Descripción: 60 months Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind

5.1.1. Finalidad

Naturaleza del contrato: Servicios

Clasificación principal (cpv): 76521000 Servicios de instalaciones en alta mar

Opciones:

Descripción de las opciones: Services related to Engineering, Management, Asset Operation

5.1.2. Lugar de ejecución

En cualquier lugar

5.1.3. Duración estimada

Duración: 60 Meses

5.1.4. Renovación

Número máximo de renovaciones: 0

5.1.6. Información general

Participación reservada: La participación no está reservada.

Proyecto de contratación pública no financiado con fondos de la UE

La contratación pública está cubierta por el Acuerdo sobre Contratación Pública (ACP): sí

5.1.9. Criterios de selección

Criterio:

Tipo: Capacidad técnica y profesional

Nombre: The minimum requirements in terms of experience, technical requirements are specified therein

Descripción: Heavy lift vessel capacity: For asset capable of installing 15MW turbine and more, Candidate shall present the existing fleet, fleet in construction, under discussion and subject to decision of investment expected to arrive on the market before 2032, as well as plan for crane upgrade / leg extension or any major modification that could allow to increase the capacity of installation capabilities. Candidate shall detail in a schedule which maximum size of turbine that the intended fleet should be capable of installing, as well as the logbook of each vessel identified. For each vessels planned to be built, detail if a slot of fabrication is already reserved in a specific Yard and corresponding period and delivery date. 1 detailed datasheet per asset with technical specification should be provided Experience in WTG Installation: Candidate shall detail its experience (past & future) in WTG installation over the 2020-2028 period and involving JUV >1600t crane Project identification & short description Contract key milestones dates form of contract, scope of works and split of responsibilities with OEM & Client Description of engineering expertise (mention if in-house or subcontracted) required to operate the vessel (at least for SSA / LPA / lifting plan / Seafastening / stability / grillage design). For the specific case of US: brief description of base case approach to comply with Jones Act when performing a full WTG installation , risk approach philosophy with regards to feeding, transport transfer and installation phases. View on the split of role and

responsibilities. Detail of the Marine Spread that could be proposed. Past performance (detailed statistics per vessel on installation rate, Mechanical Breakdown, weather stand by, maximum operational limit encountered during the project for Jacking / transit / lifting WTG Component) Experience in foundation & transition piece Installation : Candidate shall detail its experience (past & future) in foundation installation over the 2020-2028 period and involving JUV >1600t crane Project identification & short description Contract key milestones dates form of contract, scope of works and split of responsibilities Engineering expertise realised (in house & subcontracted) Past performance per type of foundation (detailed statistics per vessel on installation rate, mechanical breakdown, weather stand by, maximum operational limit encountered during the project for standard operation lacking / transit) Other windfarm related services that Candidate can provide

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio:

Tipo: Capacidad técnica y profesional

Nombre: The minimum requirements in terms of health and safety, quality and E&S management are specified therein:

Descripción: Documents shall be provided by each candidate individually, or if applicable, by each member of the consortium or the declared subcontractors. In case one or several activities listed below were subcontracted, subcontractor name and capabilities shall be described in the Candidate's response. Certifications: the candidate shall demonstrate having implemented and maintained a quality management system according to the standard EN ISO9001, or other equivalent system of quality management. The candidate shall provide: • ISO 9001 certificate (or equivalent) • Quality Policy • Quality Objective for the year and associated resources • The last ISO 9001 (or equivalent) audit report from certifying authority the candidate shall demonstrate having implemented and maintained an environmental management system according to the standard ISO14001, or other equivalent system of environmental management, the candidate shall demonstrate having implemented and maintained a health and safety management system according to ISO 45001 or other equivalent system. The candidate shall also provide its corporate HSE Policy, a copy of its HSE Management system, and HSE KPIs (accidents and incidents) from the past 5 years, including the ongoing year. HSE KPI's include: • Yearly worked hours • Number of incidents per category (Fatality, Loss Time Injuries, Restricted Work Cases, Medical Treatment Injury, First Aid Injuries, Environmental, Occupational Illness, Near Misses, High Potential Events) • Lost work days • Lost time incident frequency rate • Total recordable injury frequency rate • Severity Rate • Number of Environmental incidents • Number of HSE observation cards • Number of Management visits

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio:

Tipo: Solvencia económica y financiera

Nombre: The following documents must be provided by the Tenderer as part of his reply to the contract notice.

Descripción: The following documents have to be provided by each candidate individually, or if applicable, by each member of the consortium as part of his reply to the contract notice: All economic and financial documents must be certified by the competent legal entities of the candidate's country or by a third party audit: Candidates may be either single companies or consortium: — In all cases the Candidate shall provide description of qualification and

experience of subcontractors (or potential sub-contractors) to whom major parts of the works are going to be subcontracted. — In case the Candidate is a joint venture, a statement identifying the parties, — In case the Candidate is a consortium, a statement identifying the parties and confirming that they will be jointly and severally liable ('conjoint et solidaire') or with a jointly liable leader ('mandataire solidaire'), A tenderer, which will submit an offer as member of a consortium or a joint venture, may not submit an offer as a single company or with another consortium or joint venture. — description of corporate ownership and corporate structure. If the company is a subsidiary, the name of the parent company and ultimate parent company must be stated as well as the name of a French representative, if any, — if the candidate plans to subcontract part of the future service, the candidate shall provide a list of the services he plans to subcontract for information, — corporate headquarters locations and list of worldwide locations (subsidiaries, affiliates, joint ventures, distributors) specifying the type of functionality (production, service, sales). The candidate shall be set up in a legal form that allows for a clear assessment of its means, organization and the sharing of responsibilities, — last 3 audited financial statements on a consolidated basis in English or French specifying turnover, EBIT, and number of employees in total, — declaration that the company neither filled or is involved in insolvency proceedings and that insolvency proceedings have not been refused for lack of assets, — rating of an independent rating agency, whose rating is based on relevant European standards or equivalent criteria if available, — proof of valid professional indemnity insurance stating the amount insured and any relevant insurance for the performance of the services. Minimum level(s) of standards possibly required: The contracting entity will assess the financial standing of bidders using its standard financial assessment model. This model evaluates the financial position of a company based on the detailed and audited financial statements (balance sheet, income statement and cashflow statement) of the 3 last years. Financial guarantee: Tenderers shall be in a position to provide securities such as an advance payment bond and on demand performance bond and a parent company guarantee (if required),. Any deviation to these requirements shall be clearly stated in the applicants' answer Framework Agreement will be governed by French Law

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio:

Tipo: Aptitud para ejercer la actividad profesional

Nombre: Tenderer shall provide in his application

Descripción: — an extract from the registration in the Trade and Companies Register (Kbis form or registration form) dated less than 3 months before the deadline for reply; or a certificate of deposit of the declaration filled at a business registration center for legal or natural persons in the course of being registered, — a document stating Tenderer's identity and address or, where applicable, details of his tax representative in France. the dated and signed version of the document "Statement of Integrity, Eligibility and Environmental and Social Responsibility" available in the Procurement Notice referenced "AVIS007394 - Offshore Wind – Long term Framework Agreement for offshore heavy lift capacities to transport and install wind turbines and perform additional works related to offshore wind".

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Información sobre la segunda fase de un procedimiento de dos fases:

El procedimiento se desarrollará en fases sucesivas. En cada fase, pueden eliminarse algunos participantes

5.1.11. Pliegos de contratación

El acceso a determinados documentos de contratación está restringido

La información sobre los documentos restringidos está disponible en: <https://pha2.edf.com/>

5.1.12. Condiciones de la contratación pública

Condiciones de presentación:

Presentación electrónica: Obligatoria

Dirección para la presentación: <https://pha2.edf.com/>

Lenguas en las que pueden presentarse las ofertas o solicitudes de participación: inglés

Catálogo electrónico: No autorizada

Variantes: Permitida

Descripción de la garantía financiera: Performance bonds and/or advance payment bonds and or parent company guarantee might be required

Condiciones del contrato:

La ejecución del contrato debe realizarse en el marco de programas de empleo protegido: No

Condiciones relativas a la ejecución del contrato: French Law

Estructura financiera: Performance bond and or advance payment bond and or parent company guarantee might be required

5.1.15. Técnicas

Acuerdo marco: Ningún acuerdo marco

Información sobre el sistema dinámico de adquisición: Ningún sistema dinámico de adquisición

Subasta electrónica: no

5.1.16. Información adicional, mediación y recurso

Organización de mediación: Tribunal de grande instance de Nanterre

Organización encargada de los procedimientos de recurso: Tribunal de grande instance de Nanterre

Organización que proporciona información adicional sobre el procedimiento de contratación: EDF Renouvelables

Organización que proporciona acceso fuera de línea a los documentos de la contratación: EDF Renouvelables

Organización que proporciona más información sobre los procedimientos de recurso: Tribunal de grande instance de Nanterre

Organización que recibe solicitudes de participación: EDF Renouvelables

Organización que tramita ofertas: EDF Renouvelables
