Directiva 2014/25/UE

2.1.6. Motivos de exclusión

Fuentes de los motivos de exclusión: Anuncio

Falta profesional grave: Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Conflicto de intereses debido a su participación en el procedimiento de contratación: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure? Participación, directa o indirecta, en la preparación del presente procedimiento de contratación : Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure? Declaración falsa, ocultación de información, incapacidad de presentar los documentos exigidos u obtención de información confidencial del presente procedimiento: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of

the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Delitos de terrorismo o delitos ligados a las actividades terroristas: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision. For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. 5.1.9. Criterios de selección

Fuentes de los criterios de selección: Anuncio

Criterio: Ratio financiero

Descripción del criterio de selección: The applicant must confirm the economic ability in the ESPD part IV.B with information from the latest annual report regarding the following economic indicators: 1. Equity (total equity incl. share capital, reserves, revaluation, retained earning etc.) 2. Equity ratio (equity/total assets). This must be stated with two decimals. If the applicant relies on the capacities of other entities or the applicant is a group of economic operators the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities. It is the sole responsibility of the applicant to secure that the minimum requirements are reached based on consolidation when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators. Minimum requirement: Equity from the latest annual report must, at the time of prequalification, be at least 1.25 mio. EUR. Equity ratio from the latest annual report must, at the time of prequalification, be at least 20 pct. Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Criterio: Referencias sobre servicios específicos

Descripción del criterio de selección: The suitability of applicants fulfilling the minimum requirements to economic and financial standing will be assessed based on technical and professional ability. The ability will be assessed based on references which can be filled in ESPD part IV.C. The applicant is allowed to submit up to 2 most comparable and relevant references undertaken in the past 3 years as part of the application. By "undertaken in the past [3] years" implies that the reference must not have been completed prior to the date reached when counting 3 years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, however the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the application, cf. section 2.3. The references should describe [insert overall description of the purchase], and include: • A specific description of the work performed for each reference, including: • Contract value (if possible) • Contact information for the entity in question (including contact person) • Date of initiation and final delivery (day, month, year) Any ambiguities and/or incomprehensibilities may have a negative effect on the selection of applicants. Please note the "description" box in ESPD part IV.C. can contain more text than is visible and it is possible to copy paste text into the box. If the applicant is relying on the capacity of other entities or the applicant is a group of economic operators the maximum number of references to be submitted must still be respected and cannot exceed 2 when combined. If more are submitted, the Contracting Authority will only consider the most recent references determined by date of final delivery, in this case not yet finished references will not be included. If the applicant relies on other entities capacity or is part of a group of economic

operators the information concerning ESPD part IV.C must be submitted in separate ESPD's for each entity. Minimum requirement: It is a minimum requirement that the applicant has prior experience with procurement of energy on a power exchange.

Los criterios se utilizarán para seleccionar a los candidatos que serán invitados a la segunda fase del procedimiento

Información sobre la segunda fase de un procedimiento de dos fases:

Número mínimo de candidatos que serán invitados a la segunda fase del procedimiento: 1

Número máximo de candidatos que serán invitados a la segunda fase del procedimiento: 3

5.1.10. Criterios de adjudicación

Criterio:

Tipo: Precio

Nombre: Price

Descripción: Documentation concerning Price includes Appendix 3.1 – Price list. Prices must be stated in Appendix 3.1 – Price List and the defined price elements must be completed herein. Prices must be stated exclusive of VAT but inclusive of all other expenses associated with the purchase. Prices must be stated in EUR. When evaluating 'Price', the Contracting Authority will evaluate The Total Evaluation Technical Price, cf. Appendix 3.1 – Price list.

Categoría del criterio de adjudicación de peso: Ponderación (porcentaje, exacto)

Criterio de adjudicación: número: 30

Criterio:

Tipo: Calidad

Nombre: Quality of the Trading Service

Descripción: For the purpose of the evaluation of this sub-criterion, the tenderer shall submit:

1. A completed Appendix 2 – Requirements. 2. A completed Appendix 5 – Service Description, containing a detailed description of the proposed service delivery in the relevant sections of Appendix 5. 3. A preliminary version of Appendix 6 – REMIT Compliance Handbook, describing the tenderer's envisaged REMIT compliance set-up for the services where Contracting Authority's BRP is used. Requirements marked "R" are regular requirements that may be fulfilled by the Supplier and will be evaluated accordingly. The evaluation of the sub-criterion "Quality of the Trading Service" will be based on an overall assessment of the tenderer's completed requirement matrices and the descriptions submitted in Appendix 5 and Appendix 6. The evaluation will assess the extent to which the tenderer demonstrates a robust, effective and operationally mature service delivery that fulfils the regular requirements in Appendix 2. In the overall assessment, Contracting Authority will in particular place emphasis on: · Data handling and settlement, including the quality, reliability and traceability of data exchange, trade logging, settlement documentation, and performance reporting. (Appendix 2, chapter 2 and 4, and Appendix 5, Section 2, 4 and 5). · Trading strategy and continuous optimisation, including the tenderer's approach to achieving the best possible trading price within the applicable regulatory framework and the specified minimum and maximum prices, while seeking to trade the requested volumes. This includes the proposed use, monitoring and adjustment of trading algorithms, if applicable. (Appendix 2, chapter 3, and Appendix 5, section 3). · REMIT compliance, including the quality and completeness of the tenderer's proposed REMIT compliance set-up, covering governance and compliance resources, algorithm development and operation where applicable, REMIT reporting, audit and transparency, and the allocation and handling of Contracting Authority's REMIT-related obligations. (Appendix 6). A high score will be awarded where the tenderer provides descriptions that are specific, coherent, credible and adapted to Contracting Authority's service

and operational context, and which demonstrate a high degree of fulfilment of the regular requirements as part of the tenderer's standard solution. A tender must receive at least 4 points for the qualitative sub-criteria, "Quality of the Trading Service". Otherwise, the tender will not be considered for award.

Nombre: Implementation and Delivery

Descripción: For the evaluation of the sub-criterion "Implementation and Delivery", the tenderer shall submit a completed Appendix 7 – Implementation and Timelines, including a detailed time schedule for the Clarification Phase and a draft detailed time schedule for the Implementation Phase. The proposed schedules shall reflect the relevant governance and reporting requirements in Appendix 4 – Governance and Reporting. When evaluating the sub-criterion "Implementation and Delivery", The evaluation will be based on the tenderer's completed Appendix 7 – Implementation and Timelines, including the detailed time schedule for the Clarification Phase and the draft detailed time schedule for the Implementation Phase. Appendix 4 – Governance and Reporting shall be reflected in the proposed schedules. The Contracting Authority will evaluate the extent to which the proposed implementation approach and schedules: 1. are realistic, coherent and robust, meaning that they demonstrate a credible and proportionate ability to maintain the mandatory milestones and Operational Start Date in the event of reasonably foreseeable disruptions, including through identified contingency measures, sufficient resources, clear allocation of responsibilities, escalation procedures and recovery actions; 2. identify and manage critical activities, dependencies, risks and required deliveries from the Customer; 3. provide a credible approach to testing, approval, quality assurance and transition to operations; and 4. incorporate appropriate governance, reporting and meeting structures in accordance with Appendix 4. An overall evaluation will be made of the sub-criterion. A high score will be awarded where the tenderer provides clear, realistic and robust schedules that demonstrate a high degree of fulfilment of the evaluation elements set out above. This includes clear planning and management of critical activities and dependencies, realistic resource planning, and appropriate measures to manage risks and delays. A tender must receive at least 4 points for the qualitative sub-criteria, "Implementation and Delivery". Otherwise, the tender will not be considered for award.
