Further information about the framework of the scheme is available on the Ministry's webpage dedicated to the pilot scheme. Duration and Budget Framework The pilot projects will, as a general rule, run for up to four years from their commencement. The evaluation assignment will cover the entire pilot period and will also include follow-up work in connection with the preparation of the final report. The final report must be submitted no later than 1 November 2030. The contractor may be required to participate in meetings and/or gatherings with the municipalities participating in the pilot scheme, organized by the Norwegian Association of Local and Regional Authorities (KS) and/or the Ministry.
