Título: Framework agreement for electrical material
Descripción: The contracting authority manages several churches, cemeteries and other properties, which means that the contracting authority has a continual need for electrical material for operation and maintenance. The contracting authority shall enter into a framework agreement with one tenderer and the objective of the procurement is to ensure that Bergen Church Council can meet its total need for electro material in an efficient and appropriate manner. The contracting authority will ask the tenderer for major projects on project prices, where delivery and delivery will also be an important part of the assignment. The contracting authority currently has an equivalent framework agreement with Onninen that expires in January 2027. The expected start-up of this framework agreement is therefore January 2027. The contract will be signed for a period of two (2) years from when the contract is signed. The contracting authority has the option to extend the contract for one (1) year at a time, for up to two (2) times. The total maximum agreement period is four (4) years. The options will be taken up by written notification by the contracting authority at least three (3) months before the expiry date. The contract will automatically expire at the end of the agreement period. If all options are utilised, the procurement´s expected total value is NOK 100,000,000 excluding VAT. 10,000,000, with an annual expected call-off of NOK 10,000,000. 2 5000 000. The maximum contract value is NOK 100,000,000 excluding VAT 15 000 000. The sum is based on historical data.
