Kiirendatud menetlus: ei

Menetluskorra kirjeldus: The contract will be awarded on the basis of which tender has the best relationship between price and quality. The award criteria in the tender documentation will form the basis of the evaluation. Evaluation of price: A scale from 0-100 with the lowest price will be awarded 100 points. The points for prices and costs are based on a relative price difference calculated from the lowest price points, in accordance with the following formula: $(\text{lowest price}/\text{tender price}) \times \text{maximum points (100 points)}$. Evaluation of other award criteria: The evaluation of the criteria is based on an overall assessment, with the elements specified in the tender documentation being used. Points will be given on a scale from 0 to 100, with 100 being the best. The tender that is assessed as best for each criterium will achieve 100 points. The other tenders will get points based on a judgement that is based on how the individual tenders appear in relation to the best tender. The contracting authority has appointed a trade group that shall undertake the judgemental evaluation of the tenders. The trade group consists of persons with close connection to the need. The contracting authority's choice of winner will be notified in writing to the participants in the competition. The notification will include a justification for the selection and state the waiting period. After the waiting period has expired, a contract will be signed with the winner.
