II.1.3. Lepingu liik

Ehitustööd

II.1.4. Lühikirjeldus

The A55 is the main North Wales coastal route and is part of Euroroute E22 Trans-European Transport Network (TEN-T). It is also an important link, via county roads, for local towns and communities and provides a connection with the North-South A470 to south and central Wales. This section of the A55 was upgraded to a dual carriageway in the late 1960's and accordingly, does not comply with current highway standards and is prone to flooding. We are proposing to improve the 2.2 km length of the A55 between the Tai'r Meibion property and the Abergwyngregyn interchange.

The authority is using eTenderwales to administer this procurement. This is a separate website and registration will be required. To access eTenderwales, express interest in this notice and access tender documentation

E-Tender information:

— go to <https://etenderwales.bravosolution.co.uk>

— the first person from your organisation to use the platform will be required to register;

— registration involves accepting a user agreement, and providing basic information about your organisation and about the user performing the registration;

— the user who performs the registration becomes the super user for the organisation;

- on registering on the platform the super user will select a username and will receive a password;
- the password will be sent by e-mail to the address that was specified in the user details section of the registration page;
- in order to log-in to the platform enter your username and password;
- registration should only be performed once for each organisation;
- if you think that someone in your organisation may have already registered on this platform then you must not register again;
- contact the person who registered (i.e. the super user) in order to arrange access to the platform;
- contact the Helpdesk immediately if you are unable to contact the super user;
- if your Organisation is already registered on the Platform then you must not make any additional registration. Contact the Helpdesk to gain access to the platform;
- PQQs must be uploaded to BravoSolution portal by 12.00.

How to find the PQQ:

- once logged in, click on 'PQQs Open to all Suppliers';
- the etender references for this contract are: Project_41331 and PQQ_32715. Click on the title to access summary details of the contract. If you are still interested in expressing an interest, click the 'Express an Interest Button'. This will move the PQQ from the 'Open to all Suppliers' area to 'My PQQ's' on the home page;
- you will then see the full details of the ITT in the qualification, technical and commercial envelopes along with any relevant documents in the 'Attachments' area;
- should you have any questions on the ITT, use the 'Messages' area to contact the buyer;
- note that Cardiff Council are assisting Welsh Government with administering the procurement within eTenderwales portal. This will make no material difference to the running of the portal — the 'Messages' area is to be used as normal. It is felt prudent however to notify bidders of this ensuring transparency as to the way the procurement is being run;
- bidders should note that in line with the PCR2015, the authority is making available procurement documents from publication of this notice. Further reference documents regarding the scheme are available on CD/ DVD. Bidders should use the 'Messages' area of the portal to request a copy of this information by post (or collection).
