Pealkiri: The Norwegian Defence Estates Agency invites tenderers to a competitive dialogue - Procurement of a MOM system with the accompanying assistance for implementation.

Kirjeldus: The Norwegian Defence Estates Agency invites tenderers to submit an application for prequalification for a competitive dialogue (two stage procedure), for the following services /projects: Project number 130011 - Procurement of system support for AOM/EAM processes, including implementation assistance. The qualification phase the competition starts with a qualification phase, where all interested tenderers can submit a request to participate up until the deadline stated in the schedule. The enquiry shall be submitted in accordance with the descriptions in this document and the stated qualification requirements that shall be answered. The contracting authority will assess the tenderers' qualifications and check that there are no reasons for rejection. Only qualified tenderers can be invited to participate in the dialogue phase. The dialogue phase only qualified tenderers who are invited by the contracting authority will be able to participate in the dialogue. The objective of the dialogue phase is to identify and define how the contracting authority's needs can best be fulfilled. The dialogue can be conducted on all sides of the procurement. The contracting authority will request a solution proposal through the dialogue, based on the contracting authority's needs. The Norwegian Defence Estates Agency has attached various documents that will be used as a starting point when, together with the qualified tenderers, the dialogue (the next phase) shall present a complete tender documentation.
