Kiirendatud menetluse põhjendus: In accordance with Section 57 of the Act on Public Procurement and Concession Contracts (1397/2016), the time limits prescribed above in subsection 2 of section 56 for the open and restricted procedure and for the negotiated procedure may be shortened if compliance with the time limits in these procedures is not possible in practice, owing to an urgency that is duly substantiated by the contracting entity. Veikkaus Oy is preparing for the multi#license system in accordance with renewed applicable legislation (Gambling Act (10/2026), which will significantly alter Veikkaus' s operating environment, creating an immediate need for the service to be procured. Accordingly, Veikkaus Oy considers that the statutory grounds for shortening the applicable procurement time limits are fulfilled.

If a tenderer engages subcontractors, it remains fully responsible for their work as if it were its own. A tenderer submitting an independent bid while relying on subcontractors must specify in the Subcontractors Form how each subcontractor contributes to service delivery.
