Menetluskorra kirjeldus: PROCESSING OF TENDERS Before comparing the tenders, the contracting authority will assess whether the tenderers meet the suitability requirements set out in the Invitation to Tender. The preliminary assessment of the tenderers' suitability will be carried out based on the information provided in the tender and any clarifications that may be requested from the tenderers. A tenderer who does not meet the required suitability criteria will be excluded from the tendering process. A tenderer subject to an exclusion ground under Section 80 of the Public Procurement Act will be excluded from the tendering process. A tenderer may also be excluded from the tendering process based on other exclusion grounds referred to in Section 81 of the Public Procurement Act. The contracting authority will verify the information provided in the ESPD through official registers or, if necessary, request the

tenderer(s) to provide documents demonstrating compliance with the suitability requirements. The services offered must comply with the requirements set out in the Invitation to Tender and its annexes. Tenders that do not comply with the requirements of the Invitation to Tender or the tendering procedure will be excluded from the tendering process. The comparison of tenders will be carried out as described in the sections "Procurement object criteria" and "Grounds for decision". If the information or documents included in the tender are incomplete or missing, the contracting authority has the right, but not the obligation, to request the tenderer to clarify or supplement the information or documents within a deadline set by the contracting authority. The contracting authority has the right to request clarification from a tenderer regarding an abnormally low tender. A tender may be rejected if the explanation provided by the tenderer and the evidence submitted do not satisfactorily justify the low level of the offered prices or costs. The offered prices must correspond to normal market price levels. Intentional price manipulation ("price dumping") is prohibited and may result in the exclusion of the tender from the competition. The contracting authority reserves the right to without delay if the procurement is cancelled. Substantially incomplete tenders will be rejected.
