Laste tööjõu kasutamise ja muud inimkaubanduse vormid: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Maksejõuetus: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract. Tööõiguse valdkonnas kohaldatavate kohustuste täitmata jätmine: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Vara haldab likvideerija: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Valeandmete esitamine, teabe esitamata jätmine, suutmatus nõutud dokumente esitada või selle menetluse kohta konfidentsiaalse teabe saamine: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Hankemenetluses osalemisega kaasnev huvide konflikt: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Otsene või kaude osalemine käesoleva hankemenetluse ettevalmistamisel: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Tõsine ametialane rikkumine: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Ennetähtaegne lõpetamine, kahjutasu või võrreldavad sanktsioonid: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Sotsiaalõiguse valdkonnas kohaldatavate kohustuste täitmata jätmine: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Sotsiaalkindlustusmaksete tasumise kohustuse rikkumine: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Äritegevus on peatatud: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Maksude tasumise kohustuse rikkumine: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terroriakti toimepanek või terroristliku tegevusega seotud õigusrikkumised: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Ametialaste käitumisreeglite rikkumine kaitsealaste riigihangete valdkonnas: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Usaldusväarsuse puudumine riigi julgeolekule avalduvate ohtude välistamiseks: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Ainult siseriiklikest kõrvalejätmise alustest tulenevate kohustuste rikkumine: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Kirjeldus: The environment will be weighted 10%. The minimum requirement specifications for engine technology (minimum stage V) and minimum requirements for fuel (biodiesel HVO100) are required. Use of electrical machines is considered, but not technically feasible as it lacks the necessary electrical charging infrastructure at the operational locations in Marka. It is considered clear that major environmental gains will be achieved by setting minimum requirements for emission technology Stage V or better, as well as bio-fuel, than what can be achieved by weighting the environment as the award criterion 30%. 5.1.7. Strateegilised hanked

Strateegilise hanke eesmärk: Keskkonnamõju vähendamine

Kirjeldus: Reduction of environmental impact

5.1.9. Kvalifitseerimistingimused

Valikukriteeriumide allikad: Teade

Kriteerium: Registreerimine äriregistris

Valikukriteeriumi kirjeldus: The tenderer shall be a legally established company.

Documentation requirements: Norwegian companies: Company Registration Certificate

Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Kriteerium: Finants suhtarv

Valikukriteeriumi kirjeldus: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: Credit evaluation/rating from a publicly certified credit rating institution, not older than 6 months before the deadline for receipt of tenders. The contracting authority reserves the right to obtain credit appraisal on its own initiative. If the tenderer has a justifiable reason (e.g. a recently started company) for not submitting the documentation required by the Contracting Authority, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Kriteerium: Viited määratud tarnetele

Valikukriteeriumi kirjeldus: Tenderers shall have experience from equivalent assignments.

Equivalent assignments mean that the Tenderer has delivered tractors with a service contract.

Documentation requirements: Short description of the most important deliveries in the last three years, including information on the contract's value, date of delivery as well as the name of the contracting authority and a description of the assignment's content.

Kriteerium: Tehnikud või tehnilised organid töö teostamiseks

Valikukriteeriumi kirjeldus: Tenderers shall have sufficient capacity to fulfil the service agreement on the tractors. Documentation requirements: A description of the tenderer's average workforce and the number of employees in the management in the last three years, with particular emphasis on personnel connected to service, workshop and technical support.

Kriteerium: Keskkonnajuhtimise meetmed

Valikukriteeriumi kirjeldus: Tenderers shall be suitable for fulfilment of contractual requirements for due diligence assessments for responsible businesses, cf. the contract formulas point 12.1. This means that the Tenderer has implemented measures and systems that are used in the Tenderer's work to safeguard basic human rights and decent working conditions, as well as to prevent environmental degradation and corruption. Documentation requirements: A description of the tenderer's systems for working with due diligence assessments in accordance with the UN's guiding principles for business and human rights (UNGP) and OECD's guidelines for multinational companies. The documentation shall include:
* Formal policies/policies that cover an obligation to comply with the requirements of responsible businesses. See the tender documentation for detailed requirements for documentation and commitment statements.

Hindamiskriteerium – arv: 10

Kriteerium:

Liik: Kvaliteet

Kirjeldus: The environment will be weighted 10%. The minimum requirement specifications for engine technology (minimum stage V) and minimum requirements for fuel (biodiesel HVO100) are required. Use of electrical machines is considered, but not technically feasible as it lacks the necessary electrical charging infrastructure at the operational locations in Marka. It is

considered clear that major environmental gains will be achieved by setting minimum requirements for emission technology Stage V or better, as well as bio-fuel, than what can be achieved by weighting the environment as the award criterion 30%. Cf. the Public Procurement Regulations § 7-9, fourth section.
