Pealkiri: RA-26-012-ALL Framework agreement for workwear, footwear and protective equipment for the Gjøvik region.

Kirjeldus: The objective of the procurement is to enter into framework agreement(s) for the purchase of workwear, footwear and protective equipment for the Gjøvik region. The procurement is divided into five sub-contracts. Tenderers can submit tenders for one or more sub-contracts. The contracting authority can award one or several sub-contracts to the same tenderer, or award different sub-contracts to different tenderers. Tenders cannot be submitted for individual product lines within each sub-contract. Further details on the delivery, including requirements for products, assortment, delivery, ordering, environment, reporting and other requirements, follow the requirement specifications, needs descriptions, price forms and other procurement documents. The framework agreement(s) are not exclusive. The contracting authorities are not obliged to procure a specific volume from the chosen supplier(s), and the estimated values and volumes are not binding for the contracting authorities. The contracting authorities reserve the right to cover needs outside of the framework agreement(s), where justifiable, including conditions not included in the framework agreement(s), special user needs, acute needs, lack of assortment accessibility, breach, or where the procurement regulations allow for other legal procurements.

5.1.9. Kvalifitseerimistingimused

Valikukriteeriumide allikad: Teade

Kriteerium: Finants suhtarv

Valikukriteeriumi kirjeldus: Tenderers shall have their tax and duty payments in order (tax, VAT etc.). Documentation requirements: Tax certificate issued by the tax authorities (maximum 6 months old). Foreign tenderers shall submit equivalent certificates from their home country.

Kriteerium: Registreerimine asjakohases kutsealases registris

Valikukriteeriumi kirjeldus: Tenderers shall be a legally established company registered in a company register, trade register or trade register in their country of establishment.

Documentation requirements: Company Registration Certificate from the Brønnøysund Register Centre or other valid register statement confirming that the tenderer is registered and legally established. Foreign tenderers submit equivalent certificates from their jurisdiction.

Kriteerium: Muud majanduslikud või finantsnõuded

Valikukriteeriumi kirjeldus: Tenderers must have sufficient economic and financial capacity to fulfil the contract. The minimum requirement is credit worthiness without requirement for provision of security. E.g. equivalent credit rating of "A" from Bisnode. Documentation requirements: Credit rating from a certified credit rating agency (based on the most recent annual fiscal figures), not older than 3 months.

Kriteerium: Kvaliteedi tagamise meetmed

Valikukriteeriumi kirjeldus: Tenderers shall have a good and well-functioning quality assurance system suitable for the delivery. This involves routines for ensuring quality and compliance with relevant laws and regulations in the implementation of the contract. Documentation requirements: An account of the quality assurance system and routines, up to two pages. Alternatively: A copy of a valid ISO 9001 certificate or equivalent certification will normally be accepted as documentation.

Kriteerium: Keskkonnajuhtimise meetmed

Valikukriteeriumi kirjeldus: The tenderer is required to have an environmental management system to ensure environmental consideration in the delivery. Documentation requirements: Certificate that proves a valid environmental management system (f.eks. ISO a 14001

certificate, EMAS registration or Environmental Lighthouse certificate). Alternatively, tenderers can provide a description of their internal environmental management system with an account and policy if formal certification is not available.

Kriteerium: Viited määratud teenustele

Valikukriteeriumi kirjeldus: Tenderers shall have relevant experience from assignments or deliveries of an equivalent nature and extent to the assignment in question. 'equivalent' means assignments of the same type, complexity and size, which ensures that the tenderer has the necessary experience. Documentation requirements: Reference list of the 3 most important relevant assignments carried out in the last 3-5 years. The list shall include a description of the assignments, contract value, date/year, as well as the name of the contracting authority /customer for each reference. The contracting authority can contact the references for verification.

:

The contracting authority has decided to extend the tender deadline in the competition. The new tender deadline is 18.08.2026, 12:00. The background for the extension is sufficient time for the preparation of tenders, the scope of the competition with several sub-contracts and staff holidays in the market. The aim is to facilitate good competition and equal treatment of the tenderers. The change applies to all sub-contracts. Other competition terms remain unchanged. The new deadline for submitting questions is 07.08.2026, 23:59.
