Lisateave: 1. At the time of the publication of the Competitive Dialogue, the Contracting Entity expects to finance this project from combination of its own resources and EU/state funds. 2.

The Contracting Entity estimates the value of the tender at 40 mil. EUR excluding VAT. The estimated value is based on expert estimation based upon preliminary market consultation and preliminary scope definition. The Contracting Entity states that the estimated value is only an approximation of the true value because the goal of this Competitive Dialogue is to determine

the technical specification of the Works and therefore cannot be fully estimated. 3. The Contracting Entity shall request furnishing of a Tender Security to secure the offer. The Tender Security amount shall be 30 000 EUR (in words: thirtythousand euro). 4. The method and content of the Dialogue phase, the Calls, requests, Outputs and any documentation will be set

with each step. Contracting Entity shall open a dialogue with the chosen Participants the aim of which shall be to identify and define the means best suited to satisfying its needs.

Contracting Entity may discuss all aspects of the project with the Participants during this phase. It allows Participants to clarify, define and develop their proposals before submitting

Contracting Entity shall request furnishing of a Tender Security to secure the offer. The Tender Security amount shall be 30 000 EUR (in words: thirtythousand euro). 4. The method and content of the Dialogue phase, the Calls, requests, Outputs and any documentation will be set

with each step. Contracting Entity shall open a dialogue with the chosen Participants the aim of which shall be to identify and define the means best suited to satisfying its needs.

Contracting Entity may discuss all aspects of the project with the Participants during this phase. It allows Participants to clarify, define and develop their proposals before submitting

final offers. The Contracting Entity shall continue the dialogue phase until it can identify the solution or solutions which are capable of meeting its needs. The Contracting Entity presumes 3 rounds of the Dialogue phase, which are in detail described further in this Descriptive document. The Contracting Entity may determine rewards for Participants who take part in the dialogue as set by Contracting Entity in the Competitive Dialogue. 5. The Contracting Entity identified the needs and objectives of the Competitive Dialogue through the announcement of preparatory market consultations on 13th of April 2022: <https://seas.eranet.sk/#/tenderPublicDetails/7150>. The Contracting Entity took into account the results of the market consultations when preparing the Call for competition and the Descriptive Document for the Competitive Dialogue. 6. The Tender will be held in the English language. All the communication in the Tender will be done in English. The Contracting Entity will accept offers submitted in English, Slovak as well as Czech languages (following the requirement by the law). If the Candidate/Participant states in the communication with the Contracting Entity their communication language as Slovak or Czech, the Contracting Entity shall lead the oral communication in Slovak as well as minutes of the meetings and reports. Written communication done by the Contracting Entity towards all of the Participants will be done in English. The ruling language of the Contract and its Annexes will be always English. If the Certificates, documents by means of which the candidate/group of candidates demonstrates compliance with the conditions of participation (art. 32 and art. 34 of the PPA) or the offer security documentation have been issued in original form in Slovak language or Czech language, the Participant may submit such documents in their original form in Slovak language or in Czech language. If the Certificates, documents by means of which the candidate/group of candidates demonstrates compliance with the conditions of participation (art. 32 and art. 34 of the PPA) have been issued in any other language than Slovak, Czech or English the Participant must provide such document in official translation to English. 7. If more than 3 Participants meet the participation conditions, the Contracting Entity will choose the invited Participants based on the following evaluation of the provided references. The chosen Participants will be ranked in the 1st instance from the highest number of all declared references meeting the participation condition and in second instance the highest total sum of installed power in all declared references meeting the participation condition. All declared references to apply for the decisive rule must be according to the Minimum Required Level of the standard set in point 3.3.1 for the participation conditions.

Hindamise fikseeritud väärtusega kriteeriumi kategooria: Fikseeritud väärtus (kokku)

Hindamiskriteerium – arv: 100

Selle meetodi kirjeldus, mida kasutatakse juhul, kui hindamist ei ole võimalik kriteeriumide abil teostada: Participants will get points based on concept value for money. Points will be awarded as a function of proposed technical parameters and offered price. Each increase in Round Trip Efficiency will add points. One percent of RTE efficiency increase corresponds to revenues in the NPV calculation equal to 213k EUR per year, over a time period of 25 years. RTE efficiency increase will be automatically calculated based on inputs of expected weighted efficiency of motor generators TG1&TG2 by Participant. Each increase of offered price will lower points obtained. Participants will have to offer only solution within the range of required technical parameters and offered price. The ranking of Participants will be set based on the highest number of received points. The ranking of Participants will be determined based on the points obtained from the criteria equation by filling in the data in the excel sheet and table (Evaluation score). The number of points will be rounded to two decimal places.
