Creditworthiness without the requirement for guarantees will be sufficient to meet the requirement. Documentation requirement: A credit assessment based on the most recent available financial statements, not older than three months. The rating must be carried out by a licensed credit rating agency. If the supplier has a

valid reason for not submitting the documentation required by the contracting authority, they may document their financial and economic capacity by submitting any other document considered appropriate by the contracting authority.

Kriteerium: Viited määratud teenustele

Valikukriteeriumi kirjeldus: Requirement: The supplier must have good experience from comparable assignments covered by this framework agreement. Documentation requirement: A description of up to three of the supplier's most relevant assignments from the last five years. The descriptions must also include the company's role, the value of the assignment, the time period, and the name of the recipient/client (name, phone number, and email address). Appendix 5 – Reference Form (Part 1) must be used.

Kriteerium: Kvaliteedi tagamise meetmed

Valikukriteeriumi kirjeldus: Requirement: The supplier must have a satisfactory quality management system that includes the management and improvement of processes related to the delivery of its services. Documentation requirement: The supplier must provide a brief description of its quality management system, including how the company works with quality control, deviation handling, and continuous improvement. A quality manual, procedures, or other documentation demonstrating how the system is implemented may also be attached. If the supplier has third-party certification (e.g. ISO 9001), this may be submitted as alternative documentation.

Kriteerium: Keskkonnajuhtimise meetmed

Valikukriteeriumi kirjeldus: Requirement: The supplier must have a satisfactory environmental management system that contributes to systematic efforts to reduce environmental impact in its operations and deliveries. Documentation requirement: The supplier must provide a brief description of its environmental management system, including how the company works with environmental management, goals and measures for reducing environmental impact, internal control, and any follow-up of subcontractors. If the supplier has third-party certification (e.g. ISO 14001, Eco-Lighthouse, or EMAS), this may be submitted as alternative documentation.

Kriteerium: Teabe turvalisus

Valikukriteeriumi kirjeldus: Requirement: The supplier must have a satisfactory management system to ensure information security. Documentation requirement: The supplier must provide a brief description of its information security management system and how it is implemented and maintained within the company. The description must be sufficiently detailed to allow the contracting authority to make an independent assessment of the supplier's system. If the supplier has third-party certification (e.g. ISO 27001), this may be submitted as alternative documentation.
