Iirimaa – Inseneritehnilised tööd ja ehitustööd – MetroLink, Dublin – M120 Heavy Civils Enabling Works Framework Agreement

OJ S 128/2026 07/07/2026

Hanketeade või kontsessiooniteade – üldkord - Paranduse teade
Ehitustööd

1. Hankija

1.1. Hankija

Ametlik nimi: Transport Infrastructure Ireland (TII)

E-posti aadress: Paul.Farrelly@tii.ie

Hankija õiguslik vorm: Keskkvalitsusasutuse kontrollitav avalik-õiguslik isik

Hankija tegevus: Üldised avalikud teenused

Võrgustiku sektori hankija tegevus: Linnarongi-, trammi-, trollibussi- või bussiteenused

2. Menetlus

2.1. Menetlus

Pealkiri: MetroLink, Dublin – M120 Heavy Civils Enabling Works Framework Agreement

Kirjeldus: The M120 Heavy Civils Enabling Works Framework Agreement (the M120 Framework) will provide heavy civils engineering works and ancillary works for the MetroLink programme. The procurement of the M120 Framework (the Competition) will be conducted under the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 (as amended) (SI 286/2016), and will be managed by TII, acting as the contracting authority. The M120 Framework will consist of two (2) separate value-based lots. Both lots will be procured using the negotiated procedure with prior call for competition (per Regulation 46 of the Utilities Regulations) leading to a multi-party Framework Agreement (per Regulation 50 of the Utilities Regulations). Applicants may apply for one (1) lot only. The lots are as follows: M120 Framework Lot 1 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of €50 million or more (excluding VAT) and those determined by the Contracting Authority to be complex call-off contracts of any value which may require specific technical or specialist resources. Lot 1 will consist of call-off contracts for large elements of civils works, which may include station boxes, tunnel portals, single or multi span viaducts, as well as other heavy civils contract packages; M120 Framework Lot 2 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of less than €50 million (excluding VAT) except those to be included in Lot 1. Lot 2 will consist of call-off contracts for elements of civils works, which may include retaining walls, other foundation/support works, as well as other heavy civils contract packages. Conduct of the Competition: Stage 1: The Selection Stage will commence with the publication of a Pre-Qualification Questionnaire (PQQ). Provided that there is a sufficient number of applicants for each lot, five (5) applicants for each of the two (2) lots will be shortlisted. If less than five (5) applicants meet the minimum requirements for a lot, TII reserves the right to proceed with those applicants to the second stage of the procurement for that lot. Stage 2: The Tender Stage for each call-off contract will commence with TII issuing the Invitation to Negotiate (ITN) to each tenderer for that lot. Following the conclusion of the Tender Stage, the three (3) highest ranked tenderers under each lot will be appointed to the M120 Framework and will be eligible to compete for future call-off contracts and also the highest ranked tenderer for each of the first call-off contracts will be awarded those contracts.

The 4th and 5th ranked tenderers under each lot will be reserve tenderers, TII reserves the right to appoint one of the reserve tenderers to the M120 Framework under certain specified conditions. The M120 Framework may also be used by Iarnród Éireann-Irish Rail to procure call-off contracts for heavy civil engineering works at or adjacent to Glasnevin station that fall within the scope of works for the M120 Framework. TII has the right at any time and without notice to (i) terminate the Competition (or part of it), (ii) change the Competition's basis or procedures, (iii) procure the works by other means, (iv) negotiate or engage with one or more parties at any time, or (v) to do any combination of the foregoing or anything else deemed appropriate. To participate in this procurement please register at Metrolink e-Sourcing Portal <https://metrolink.app.jaggaer.com/>, after registration navigate to PQQs/ITTs Open to All Suppliers tab on the Main Dashboard, locate "Lot 1 Heavy Civils Enabling Works (Call off contracts with an estimated value of €50 million or more (excluding VAT)/ complex works" or, "Lot 2 Heavy Civils Enabling Works (Call off contracts with an estimated value of less than €50 million (excluding VAT))", express an interest and submit a response.

Riik – jaotus (NUTS): Dublin (IE061)

Riik: Iirimaa

2.1.3. Maksumus

Eeldatav maksumus käibemaksuta: 1 200 000 000,00 EUR

Raamlepingu maksimaalne maksumus: 1 200 000 000,00 EUR

2.1.4. Üldine teave

Lisateave: This contract notice relates to the M120 Framework which is sub-divided into two separate lots. Applicants may participate in One (1) lot ONLY under the M120 Framework. The M120 Framework will be used for the award of heavy civils enabling works using Design and Build contracts for elements of work which would otherwise be delivered under the M401, M402 contracts or other contract packages of the wider MetroLink programme. The M120 Framework will be awarded in accordance with the provisions of the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 (S.I. 286/2016). As the total estimated value of the lots under this Framework Agreement is equal to or greater than EUR 250 million and the value of each lot is above EUR 125 million, applicants invited to participate in the Tender Stage will be required as part of their tender submission to notify all foreign financial contributions as defined in Article 28(1), point (b) of Regulation (EU) 2022/2560 on foreign subsidies distorting the internal market. If no such financial contributions have been received, the economic operator will instead be required to submit a declaration confirming that it has not received such financial contributions from countries outside the EU. TII may, if appropriate and necessary, adopt the procedure detailed in Regulation 49(1)(f) of the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 to award new services consisting of the repetition of similar services entrusted to the successful tenderers under this competition. More information on the MetroLink project and scope of the M120 Framework is available at www.metrolink.ie and in the PQQ documents. The works under the M120 Framework will each have a number of interfaces with the MetroLink M401 and M402 contracts and with the design, build, finance, operate and maintain (DBFOM) contract (the M500 Contract), the advance and enabling works contracts (the M100 Contracts) and other contracts. Most of the heavy civil engineering works will be delivered under the larger M401 /M402 packages. The NEC4 engineering and construction contract ('ECC') framework contract will be the form of contract used for the M120 framework agreement. Call-off contracts awarded under Lot 1 and under Lot 2 will use the NEC4 ECC Option C form of contract, with TII reserving the right to use the NEC4 Option A or Option E forms of contract for call-offs under the M120 Framework. Option C will be the contract form used for the first call-offs under each Lot. TII reserves the right to novate or assign call-off contracts awarded under the M120 framework to the M401 contractor, M402 contractor, M500 contractor, or another State/State-owned entity following the award of the call-off contracts. TII reserves the right at its absolute discretion to omit, vary, reduce, extend or repackage its requirements and/or amend contracts post award or to do a combination of these to enable the delivery of its requirements under the M120 Framework in a timely manner. This includes, without limitation, the right to procure directly from individual or groups of members from pre-qualified consortia, reducing or extending the duration of repackaged contracts and permitting changes to pre-qualified consortia and to take such steps as it considers appropriate in respect of the Competition subject to applicable law. TII has the right at any time and without notice to (i) terminate the Competition (or part of it), (ii) change the Competition's basis or procedures, (iii) procure the works by other means, (iv) negotiate or engage with one or more parties at any time, or (v) to do any combination of the foregoing or anything else deemed appropriate. In line with the Irish Government's climate action legislation and MetroLink's sustainability and carbon management commitments outlined in the Railway Order, each of the M120 call-off contracts will include a structured framework for managing carbon performance to ensure alignment with

carbon. This approach aims to encourage innovation in low carbon construction methods, materials, and logistics, and will form part of the overall contract performance assessment. Refer to the PQQ documents for further information. The Framework value stated in section 2.1.3 represents TII's best estimate of the anticipated total value of contracts that may be procured under the framework including risk and inflation and for works required by TII and/or Irish Rail and should not be taken as a definitive indication or guarantee of the volume of heavy civils engineering works that may be required by TII due to the variable demand for these works, and therefore the value may be significantly lower, or indeed higher than this estimate.

Pealkiri: Heavy Civils Enabling Works (Call-off contracts with an estimated value of €50 million or more (excluding VAT))

Kirjeldus: The M120 Heavy Civils Enabling Works Framework Agreement (the M120 Framework) will provide heavy civils engineering works and ancillary works for the MetroLink programme. The procurement of the M120 Framework (the Competition) will be conducted under the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 (as amended) (SI 286/2016), and will be managed by TII, acting as the contracting authority. The M120 Framework will consist of two (2) separate value-based lots. Both lots will be procured using the negotiated procedure with prior call for competition (per Regulation 46 of the Utilities Regulations) leading to a multi-party Framework Agreement (per Regulation 50 of the Utilities Regulations). Applicants may apply for one (1) lot only. The lots are as follows: M120 Framework Lot 1 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of €50 million or more (excluding VAT) and those determined by the Contracting Authority to be complex call-off contracts of any value which may require specific technical or specialist resources. Lot 1 will consist of call-off contracts for large elements of civils works, which may include station boxes, tunnel portals, single or multi span viaducts, as well as other heavy civils contract packages; M120 Framework Lot 2 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of less than €50 million (excluding VAT) except those to be included in Lot 1. Lot 2 will consist of call-off contracts for elements of civils works, which may include retaining walls, other foundation/support works, as well as other heavy civils contract packages. Conduct of the Competition: Stage 1: The Selection Stage will commence with the publication of a Pre-Qualification Questionnaire (PQQ). Provided that there is a sufficient number of applicants for each lot, five (5) applicants for each of the two (2) lots will be shortlisted. If less than five (5) applicants meet the minimum requirements for a lot, TII reserves the right to proceed with those applicants to the second stage of the procurement for that lot. Stage 2: The Tender Stage for each call-off contract will commence with TII issuing

the Invitation to Negotiate (ITN) to each tenderer for that lot. Following the conclusion of the Tender Stage, the three (3) highest ranked tenderers under each lot will be appointed to the M120 Framework and will be eligible to compete for future call-off contracts and also the highest ranked tenderer for each of the first call-off contracts will be awarded those contracts. The 4th and 5th ranked tenderers under each lot will be reserve tenderers, TII reserves the right to appoint one of the reserve tenderers to the M120 Framework under certain specified conditions. The M120 Framework may also be used by Iarnród Éireann-Irish Rail to procure call-off contracts for heavy civil engineering works at or adjacent to Glasnevin station that fall within the scope of works for the M120 Framework. TII has the right at any time and without notice to (i) terminate the Competition (or part of it), (ii) change the Competition's basis or procedures, (iii) procure the works by other means, (iv) negotiate or engage with one or more parties at any time, or (v) to do any combination of the foregoing or anything else deemed appropriate. 5.1. Osa: LOT-0002

Pealkiri: Heavy Civils Enabling Works (Call off contracts with an estimated value of less than €50 million (excluding VAT))

Kirjeldus: The M120 Heavy Civils Enabling Works Framework Agreement (the M120 Framework) will provide heavy civils engineering works and ancillary works for the MetroLink programme. The procurement of the M120 Framework (the Competition) will be conducted under the European Union (Award of Contracts by Utility Undertakings) Regulations 2016 (as amended) (SI 286/2016), and will be managed by TII, acting as the contracting authority. The M120 Framework will consist of two (2) separate value-based lots. Both lots will be procured using the negotiated procedure with prior call for competition (per Regulation 46 of the Utilities Regulations) leading to a multi-party Framework Agreement (per Regulation 50 of the Utilities Regulations). Applicants may apply for one (1) lot only. The lots are as follows: M120 Framework Lot 1 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of €50 million or more (excluding VAT) and those determined by the Contracting Authority to be complex call-off contracts of any value which may require specific technical or specialist resources. Lot 1 will consist of call-off contracts for large elements of civils works, which may include station boxes, tunnel portals, single or multi span viaducts, as well as other heavy civils contract packages; M120 Framework Lot 2 – Heavy Civils Enabling Works (Call-off contracts with an estimated value of less than €50 million (excluding VAT) except those to be included in Lot 1. Lot 2 will consist of call-off contracts for elements of civils works, which may include retaining walls, other foundation/support works, as well as other heavy civils contract

packages. Conduct of the Competition: Stage 1: The Selection Stage will commence with the publication of a Pre-Qualification Questionnaire (PQQ). Provided that there is a sufficient number of applicants for each lot, five (5) applicants for each of the two (2) lots will be shortlisted. If less than five (5) applicants meet the minimum requirements for a lot, TII reserves the right to proceed with those applicants to the second stage of the procurement for that lot. Stage 2: The Tender Stage for each call-off contract will commence with TII issuing the Invitation to Negotiate (ITN) to each tenderer for that lot. Following the conclusion of the Tender Stage, the three (3) highest ranked tenderers under each lot will be appointed to the M120 Framework and will be eligible to compete for future call-off contracts and also the highest ranked tenderer for each of the first call-off contracts will be awarded those contracts. The 4th and 5th ranked tenderers under each lot will be reserve tenderers, TII reserves the right to appoint one of the reserve tenderers to the M120 Framework under certain specified conditions. The M120 Framework may also be used by Iarnród Éireann-Irish Rail to procure call-off contracts for heavy civil engineering works at or adjacent to Glasnevin station that fall within the scope of works for the M120 Framework. TII has the right at any time and without notice to (i) terminate the Competition (or part of it), (ii) change the Competition's basis or procedures, (iii) procure the works by other means, (iv) negotiate or engage with one or more parties at any time, or (v) to do any combination of the foregoing or anything else deemed appropriate. To participate in this procurement please register at Metrolink e-Sourcing Portal <https://metrolink.app.jaggaer.com/>, after registration navigate to PQQs/ITTs Open to All Suppliers tab on the Main Dashboard, locate "Lot 1 Heavy Civils Enabling Works (Call off contracts with an estimated value of €50 million or more (excluding VAT)/ complex works" or, "Lot 2 Heavy Civils Enabling Works (Call off contracts with an estimated value of less than €50 million (excluding VAT))", express an interest and submit a response.

5.1.2. Lepingu täitmise koht

Riik – jaotus (NUTS): Dublin (IE061)

Riik: Iirimaa

5.1.3. Eeldatav kestus

Kestus: 8 Aastad

5.1.4. Uuendamine

Maksimaalne lepingu uuendamiste arv: 1

5.1.5. Maksumus

Eeldatav maksumus käibemaksuta: 200 000 000,00 EUR

Raamlepingu maksimaalne maksumus: 200 000 000,00 EUR

5.1.6. Üldine teave

Reserveeritud osalemine:

Osalemine ei ole reserveeritud.

Hankeprojekt, mida ei rahastata ELi vahenditest

Hanke suhtes kohaldatakse riigihankelepingut (GPA): jah

Lisateave: All organisations wishing to participate in this procurement should register at Metrolink e-Sourcing Portal <https://metrolink.app.jaggaer.com/> The procurement documents for this competition will be available on the MetroLink e-Sourcing platform following publication of this contract notice in the OJEU. Upon the completion of the registration, please navigate to PQQs/ITTs Open to All Suppliers tab on the Main Dashboard, locate “Lot 2 Heavy Civils Enabling Works (Call-off contracts with an estimated value of less than €50 million (excluding VAT)”, express an interest and submit a response. Refer to Part 2 of the PQQ documents in for further information about submitting a response. All clarification queries in relation to this procurement must be submitted via the Metrolink e-Sourcing portal. Refer to the PQQ documents for further information. The Framework value stated in section 5.1.5 (LOT-0002) represents TII’s best estimate of the anticipated total value of contracts that may be procured under lot 2 including risk and inflation and for works required by TII and/or Irish Rail and should not be taken as a definitive indication or guarantee of the volume of heavy civils engineering works that may be required by TII due to the variable demand for these works, and therefore the value may be significantly lower, or indeed higher than this estimate.

5.1.7. Strateegilised hanked

Strateegilise hanke eesmärk: Ei kohaldata strateegilist hanget

Keskkonnahoidlikud riigihanked – tingimused: Muud ELi keskkonnahoidlike riigihangete kriteeriumid

5.1.9. Kvalifitseerimistingimused

Valikukriteeriumide allikad: Hankedokument

10. Muudatus

Eelmise teate versioon, mida muudetakse

:

196fab0c-8f47-47d1-8bde-11a9cb83dc6f-01

Muudatuse peamine põhjus

:

Teave ajakohastatud

Kirjeldus

:

The Contracting Authority hereby advises all Applicants that the deadline for submission of M120 LOT1/LOT2 PQQ Responses has been formally extended by eleven (11) calendar days. This extension is being granted to ensure that all Applicants have adequate time to review all responses to clarifications issued since the publication of the contract notice and finalise and submit their responses in accordance with the requirements of the PQQ documentation. The

revised M120 LOT1/LOT2 PQQ Response Return Deadline is Friday 24 July 2026 at 14:00 Irish Standard Time. To allow Applicants time to submit any final clarification queries, the M120 LOT1/LOT2 PQQ Queries Closing Date has been extended to Friday 10 July 2026 at 14:00 Irish Standard Time. All Applicants must ensure that their complete PQQ Responses are submitted through the MetroLink e Sourcing Platform no later than the revised M120 LOT1 /LOT2 PQQ Response Return Deadline.
