Pealkiri: DIO 068-2026 Dynamic purchasing system for technical consultancy services

Kirjeldus: The dynamic purchasing system (DIO) shall be used for the procurement of consultancy and consultancy services within, among other things, area planning, administration and management, engineering design, development, control and preparation of competition documents. The scheme shall primarily be used for small and medium sized assignments. Very extensive and complex assignments, or assignments that require specialised expertise, will not be announced in this scheme. Bergen municipality will also assess whether the tenderers in the scheme have relevant competence for the assignment in question when holding competitions. The scheme comprises consultancy and consultancy services in building and construction subjects as well as architect services (ARK and LARK), including, among other things: * Engineering design services for building and construction * Project administration * Construction management and builder ombudsman * Reviews, analyses and condition evaluations. * Ground surveys * Zoning work and area planning * Building engineering inspections (independent inspections) * Consulting in lighting and acoustics * Preparation of competition documents CONTRACTING AUTHORITIES The scheme applies for all of Bergen municipality. Actual requirement holders are i.a.: * Development Department * The Agency for Buildings and Property * The Agency for Housing Management * Water and sewage department * Agency for Urban Environment * The Agency for Sports Affairs * The Agency for Planning and Building RELATION TO EXISTING AGREEMENTS The dynamic purchasing system will supplement the existing framework agreements. If there are framework agreements that the municipality is obliged to use, these will take precedence. The municipality reserves the right to carry out some procurements outside of dynamic purchasing schemes, for example, for large or particularly demanding assignments. Bergen municipality has also established DIO 067-2026 Dynamic purchasing system for consultancy services. The competitions in this scheme will primarily be connected to the areas of organisation development and performance audits. INFORMATION TO SUPPLIERS Tenderers who participate will be notified of relevant competitions. Tenderers are not required to cover the entire breadth of the services. Neither are all tenderers expected to submit tenders in all competitions. Tenderers are encouraged to assess each individual assignment against their own capacity and competence.

It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Valeandmete esitamine, teabe esitamata jätmine, suutmatuse nõutud dokumente esitada või selle menetluse kohta konfidentsiaalse teabe saamine: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Hankemenetluses osalemisega kaasnev huvide konflikt: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Otsene või kaude osalemine käesoleva hankemenetluse ettevalmistamisel: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Tõsine ametialane rikkumine: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Ennetähtaegne lõpetamine, kahjutasu või võrreldavad sanktsioonid: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Sotsiaalõiguse valdkonnas kohaldatavate kohustuste täitmata jätmine: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Sotsiaalkindlustusmaksete tasumise kohustuse rikkumine: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Äritegevus on peatatud: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Maksude tasumise kohustuse rikkumine: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terroriakti toimepanek või terroristliku tegevusega seotud õigusrikkumised: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision

2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Ametialaste käitumisreeglite rikkumine kaitsealaste riigihangete valdkonnas: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Usaldusväarsuse puudumine riigi julgeolekule avalduvate ohtude välistamiseks: Is the tenderer assessed to lack the reliability necessary to exclude the risk of national security?

Ainult siseriiklikest kõrvalejätmise alustest tulenevate kohustuste rikkumine: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.
