After the initial advertisement, the panel must be advertised annually for the duration of the panel (5 years) to continually inform the market place of its existence. Economic Operators can apply to qualify on to the panel, throughout the duration of the panel. Economic Operators who are already qualified to the panel can also amend their application at any interval should their financial or technical capacity or capability change. Qualifying onto a panel does not guarantee any work and/or contracts to a supplier. There is no obligation to use the Qualification Panel and contracts can be advertised on an individual basis using the Negotiated Procedure. (Annual Readvertisement 3/8 - Amended)
