2.1. Menettely

Ilmoituksen nimi: Procurement of technical operational services

Kuvaus: PURPOSE AND SCOPE The Agency for Sanitation and Recycling in Oslo municipality (hereafter called "REG" or "Contracting Authority") shall enter into a new contract for the procurement of technical operational services. The agreement shall commence 1 May 2026. Further information on the assignment and the requirements for the services that shall be carried out are in Annex 1 Requirement Specification. The contracting authority estimates that the fixed part of the assignment and the estimated need for additional orders have a value of NOK 10,000,000. The contract is subject to spending up to NOK 8,000,000 beyond this, for additional services that are in a natural context the type of services included in the agreement. The maximum value of the agreement is therefore NOK 18 million. The contracting authority draws attention to the fact that the estimated value is based on previous consumption and the expected future need is only a guideline and is without obligation for the Contracting Authority. Parts of the services that will be provided are scheduled assignments, and therefore guaranteed, but the rest depend on the need.

Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Maksukyvyttömyys: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Työlainsäädännön mukaisten velvoitteiden rikkominen: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Varat selvitysmiehen hallinnassa: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Väärien tietojen antaminen, tietojen salaaminen, vaadittujen asiakirjojen toimittamatta jättäminen tai tätä menettelyä koskevien luottamuksellisten tietojen saaminen: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Talouden toimijan hankintamenettelyyn osallistumisesta johtuvat eturistiriidat: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Välitön tai välillinen osallistuminen tämän hankintamenettelyn valmisteluun: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Ammatin harjoittamiseen liittyvä vakava virhe: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Ennenaikainen irtisanominen, vahingonkorvaukset tai muut vastaavat seuraamukset: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Sosiaalilainsäädännön mukaisten velvoitteiden rikkominen: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Sosiaaliturvamaksujen maksamiseen liittyvän velvoitteen rikkominen: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Liiketoiminta on keskeytetty: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Verojen maksamiseen liittyvän velvoitteen rikkominen: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorismirikokset tai terroritoimintaan liittyvät rikokset: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Puolustusmateriaalihankintoja koskeva ammatin harjoittamiseen liittyvä rikkomus: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Kyvyyttömyys osoittaa luotettavasti, että maan turvallisuudelle aiheutuvat riskit voidaan sulkea pois: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Puhtaasti kansallisten poissulkemisperusteiden nojalla asetettujen velvoitteiden rikkominen: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Valintaperusteiden ilmoittamispaikka: Ilmoitus

Kriteeri: Rekisteröinti kaupparekisteriin

Valintaperusteen kuvaus: The tenderer shall be a legally established company. Documentation requirements: Norwegian companies: Company Registration Certificate. Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Kriteeri: Muut taloudelliset tai rahoitukselliset vaatimukset

Valintaperusteen kuvaus: Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: The contracting authority reserves the right to obtain credit appraisal on its own initiative. If a tenderer has a justifiable reason (e.

g. newly started company) of not submitting the documentation that the Contracting Authority has required, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Kriteeri: Ympäristön hallintatoimenpiteet

Valintaperusteen kuvaus: Tenderers are required to have implemented environmental management measures that ensure that the tenderer is suitable to fulfil the contract's environmental provisions. This means that the tenderer has methods for working actively and systematically to reduce negative environmental impact from activities connected to the execution of this contract. **Documentation requirements:** A description of the tenderer's environmental management measures. If a tenderer has certificates from independent bodies that document the environmental management system, they can be presented as documentation. Refer to the EU Scheme for Environmental Management and Environmental Audit (EMAS), other recognised environmental management systems in regulation (EF) no. 1221/2009 article 45, or equivalent, and other environmental management standards based on relevant European or international standards from accredited bodies such as ISO 14001 or equivalent.

Kriteeri: Toimenpiteet laadun varmistamiseksi

Valintaperusteen kuvaus: Tenderers shall have a relevant quality assurance system for the content of the contract. **Documentation requirements:** A description of the tenderer's quality assurance methods. Alternatively: Certificate for the company's quality assurance system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2015.

Kriteeri: Viitteet määriteltyihin toimituksiin

Valintaperusteen kuvaus: The tenderer shall have good experience from similar assignments. Similar assignments mean the execution of operational engineering services in large buildings. **Documentation requirements:** Short description of the most important deliveries in the last three years, including information on the contract's value, date of delivery as well as the name of the contracting authority and a description of the assignment's content.

Kriteeri: Keskimääräinen vuotuinen työvoima

Valintaperusteen kuvaus: The tenderer must have good capacity to carry out the contract. **Documentation requirements:** A description of the tenderer's average workforce and the number of employees in the management during the last three years.
