2.1.4. Yleistä tietoa

Lisätiedot: In accordance with the Public Procurement Regulations § 7-9 fifth paragraph, the obligation to set requirements or criteria on climate and environmental considerations does not apply if the procurement, in accordance with nature, has a climate footprint and an environmental impact that is immaterial. The delivery concerns training of pupils in alternative training arenas with varying degrees of need for assistance. The delivery mainly consists of person based services in the form of: • individual training and follow-up/assistance. • relationship and environmental work • Coordination and interaction • follow-up with school and relatives. The procurement includes, to a small degree, activities or input factors that normally result in significant climate footprint or environmental impact, including extensive transport, machine use, material consumption, production or energy intensive deliveries. After a concrete assessment, the contracting authority has concluded that the procurement has, in its nature, a climate footprint and an environmental impact that is immaterial, cf. the procurement regulations § 7-9 fifth paragraph. The assessment is i.a. made in light of DFØ's guidance on procurements with immaterial climate footprint and environmental impact.
