Ilmoituksen nimi: TenneT - insurance broker services

Kuvaus: Tender Description – Insurance Brokerage Services TenneT intend to procure comprehensive insurance brokerage services covering its activities in Germany (TenneT TSO GmbH) and the Netherlands (TenneT TSO B.V.). The procurement is structured into three separate lots (the "Lots"), for which bidders may submit offers for one, several, or all Lots. The objective of this procurement is to appoint one or more highly qualified insurance broker(s) capable of delivering high-quality, proactive, and strategic support across the full insurance lifecycle, ensuring optimal coverage, competitive pricing, and efficient claims handling for complex onshore and offshore operations as well as specialty risks. The contracting authorities are TenneT TSO GmbH & TenneT TSO B.V. TenneT is a leading European Transmission System Operator (TSO) with its main activities in the Netherlands and Germany. TenneT is one of the largest investors in national and international electricity grids on land and at sea. Our focus is on developing an integrated Northwest European energy market and facilitating the energy transition. TenneT is committed to meeting society's needs by being responsible, engaged and connected. Tender Procedure TenneT is a "contracting entity" subject to the Public Procurement Act 2012. The notice for this Call for Competition will be published via tender platform Mergel Source-to-Contract to the Official Journal of the European Union available at <http://ted.europa.eu>. The Call for Competition will be based on the negotiated procedure with prior publication, which means that initially an interested market party may apply as a Candidate. Details on general tender procedure can be found in the document "Procedure Guidelines". Lots The scope of services is divided as follows: Lot 1: Onshore Policies – Engineering / Property / Liability Lot 2: Offshore Policies – Engineering / Property / Liability Lot 3: Specialty Policies handled from Netherlands Lot 4: Specialty Policies handled from Germany Each Lot comprises advisory, placement, and ongoing servicing of insurance solutions tailored to the respective risk profiles. Scope of Services The selected broker(s) shall provide end-to-end insurance brokerage services, including but not limited to the following service components: Team & Availability: Provision of a qualified, experienced,

and dedicated service team with sufficient capacity and availability. The broker shall ensure continuity of key personnel and provide clear escalation paths. Broking & Policy Management: Strategic advice on insurance design and structuring, market analysis, placement and renewal of insurance programs, preparation and negotiation of policy wordings, and ongoing policy administration. Claims Management: Proactive claims handling and support throughout the entire claims lifecycle, including notification, coordination with insurers, advocacy on behalf of the contracting authority, and monitoring of claims performance. Reporting, KPIs & Performance Management: Regular, structured reporting on program performance, market developments, claims experience, and premium evolution. Definition, monitoring, and continuous improvement of agreed key performance indicators (KPIs). Transition & Onboarding: Seamless transition from incumbent arrangements, including structured onboarding, data transfer, and implementation of service processes ensuring uninterrupted coverage and service continuity. Geographic Scope All services must be provided for both the German and Dutch entities of the contracting authority. The broker is expected to demonstrate sufficient local presence, regulatory capability, and market access in both jurisdictions to ensure compliant and effective service delivery. In order to protect the confidentiality of the information provided by the client in the tender documents, it is mandatory to conclude a confidentiality Agreement as per "NDA" document provided for download via Mercell. Please send the signed and stamped copy to: holger.duba@tennet.eu After sending the NDA and a plausibility check by the Client, the Client will grant the interested parties access to the tender by Email. After registering for the tender at Mercell Source-to-Contract, you will find all tender documents in the call for competition phase under "Questionnaires", section "Call for Competition", question 1.1. The bidder can not deduce eligibility for participation only from signing and submitting the NDA. TenneT will only accept tenderers who successfully qualify during the call for competition phase to participate in the offer phase. The application for the call for competition must be submitted in due time and no later than by 10.07.2026 at 12:00 CET via the e-Award platform Mercell Source-to-Contract. Individual extensions of time will not be granted. Please start your upload process early enough. Submission of the request to participate (applications) by Email, mail or fax are not permitted. A violation of this requirement will lead to disqualification of the applicant and exclusion from the tender process. Please make sure to familiarize yourself with the Schedule, Questionnaires, Messages section and the Q&A section early enough and thoroughly read through all relevant documents. 5.1.10. Vertailuperusteet

Kriteeri:

Tyyppi: Hinta

Nimi: Price

Kuvaus: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.

Valintaperusteen kuvaus: Self-Declaration Regarding the "Russia Sanctions Package" / Article 5k (3) of Council Regulation (EU) 2022/576 of 8 April 2022 1. The bidder is familiar with Regulation (EU) No 833/2014, as amended by Regulation (EU) 2022/576. This Regulation imposes, among other things, sanctions against Russia, Russian companies, Russian nationals, or natural or legal persons established in Russia, as well as products and materials

originating in Russia. 2. The bidder is not one of the persons or companies associated with Russia within the meaning of Article 5(k)(1) of Regulation (EU) 2014/833, as amended by Article 1(23) of Council Regulation (EU) 2022/576 of April 8, 2022, concerning restrictive measures in view of Russia's actions destabilizing the situation in Ukraine: The bidder is not a Russian national or a natural or legal person, organization, or entity established in Russia No more than 50% of the bidder's ownership rights/shares are directly or indirectly held by a Russian national or a natural or legal person established in Russia, or by a company to which any of the criteria under letter a) apply The bidder is not acting on behalf of or at the direction of persons or entities to which the criteria in subparagraphs (a) and/or (b) apply. 3. The persons or companies involved in the contract as subcontractors, suppliers, or companies, and whose services account for more than 10% of the contract value, also do not belong to the group of persons referred to in this declaration or have a connection to Russia within the meaning of this declaration. 4. The bidder confirms and ensures that, even during the term of the contract, no subcontractors, suppliers, or companies will be engaged whose services account for more than 10% of the contract value and who do not belong to the group of persons/companies specified in No. 3 of this declaration. The bidder agrees that if it is determined (at a later date) that incorrect and/or incomplete information was provided, the bidder may be excluded from further participation in the tender procedure and/or any agreement (possibly) already concluded for this reason may be rescinded or terminated without financial consequences for TenneT.

Kriteeri: Ammatillinen riskivakuutus

Valintaperusteen kuvaus: Professional Indemnity / Liability Insurance Insurance with a minimum coverage of EUR 5,000,000.00 is required if the contract is awarded. The bidder has two options for demonstrating compliance in this area: Option 1: The bidder has already taken out insurance with the required coverage amounts. Proof is provided by uploading a corresponding insurance confirmation. Option 2: The bidder has not yet taken out insurance with the required coverage amounts. However, the bidder undertakes to take out insurance with the required coverage amounts immediately upon being awarded the contract, to maintain it for the duration of the contract term, and to submit a corresponding certificate unsolicited at the start of the contract term. As security, the bidder shall, to the extent possible, provide a letter of intent from their insurer confirming that the insurer will provide the required insurance and coverage (in the event the bid is awarded). The letter of intent must be uploaded. Note on the formation of a consortium: In the case of a bidder consortium, at least one member of the consortium must meet the respective insurance requirements. Please upload proof of insurance coverage.

Kriteeri: Viitteet määriteltuihin palveluihin

5.1.10. Vertailuperusteet

Kriteeri:

Tyyppi: Hinta

Nimi: Price

Kuvaus: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.
