Lisätiedot: It should be noted that this is a public tender. The Tender's legal form is not required. If you wish to participate in this tender process, the corresponding ESPD must be filled in. The ESPD for this tender process can be found in Comdia. The ESPD must be filled in in EU-Supply, after which it is submitted via "Save and Send". Guidelines for completing the ESPD can be found on the website of the Konkurrence- og Forbrugerstyrelsen, www.kfst.dk (The contracting entity does not take responsibility for the content of the guidance). Please

note the following: - A tenderer who participates alone, but relies on the capacity of one or more other entities (e.g. a parent company or sister company or subcontractor) shall ensure that the tenderer is accompanied by both the tenderers own ESPD and a separate ESPD for each entity on which it wishes to rely, with a completed Part II "Information on the economic operator" and Part III "Grounds for exclusion" as well as relevant information concerning Part IV "Selection criteria". The attached ESPD from those other entities should be duly completed and signed. In addition, the submission of final evidence must also be accompanied by evidence of the commitment of these entities/subcontractors in this respect in the form of a statement of support. - Where groups of economic operators, including temporary associations, participate together, a full ESPD shall be filled in separately for each participating economic operator containing the required information. The final documentation must also be accompanied by a Consortium Declaration, by which the parties declare to be a consortium or other form of association jointly and severally, unconditionally, and directly liable for the fulfilment of the contract tendered.

2.1.6. Poissulkemisperusteet

Poissulkemisperusteiden ilmoittamispaikka: Ilmoitus

Ammatin harjoittamiseen liittyvä vakava virhe: Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Talouden toimijan hankintamenettelyyn osallistumisesta johtuvat eturistiriidat: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure?

Välitön tai välillinen osallistuminen tämän hankintamenettelyn valmisteluun: Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Väärien tietojen antaminen, tietojen salaaminen, vaadittujen asiakirjojen toimittamatta jättäminen tai tätä menettelyä koskevien luottamuksellisten tietojen saaminen: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Puhtaasti kansalliset poissulkemisperusteet: § 134 a. A contracting entity shall exclude a candidate or tenderer from participation in a procurement procedure if the candidate or tenderer is established in a country that is included on the EU list of non-cooperative jurisdictions for tax purposes and has not acceded to the WTO's Government Procurement Agreement or other trade agreements obliging Denmark to open the public procurement market to tenderers established in that country.

Terrorismirikokset tai terroritoimintaan liittyvät rikokset: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues

to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision. For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Sosiaaliturvamaksujen maksamiseen liittyvän velvoitteen rikkominen: Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Verojen maksamiseen liittyvän velvoitteen rikkominen: The contracting entity shall exclude a candidate or tenderer who has unpaid overdue debts of DKK 100,000 or more to public authorities relating to taxes, duties or social security contributions under Danish law or the law of the country in which the applicant or tenderer is established. Documentation: in accordance with sections 152-153 of the Danish Public Procurement Act.

Rikollisjärjestön toimintaan osallistuminen: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for participation in a criminal organisation, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Council Framework Decision 2008/841/JHA of 24 October 2008 on the fight against organised crime (OJ L 300, 11.11.2008, p. 42). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. Kuvaus: Technical Requirements The tenderer must as part of the sub-criterion "Technical solution description" also include the following: • The tenderer shall always comply with all points specified by Energinet in the datasheets. But the tenderer shall state explicitly every point where the products do not conform to the datasheets. • The tenderer must state following criteria in the documents for all insulation couplings/joints: maximum allowable stress value (min SMYS), design factors, bending moment, corrosion allowance, production allowance and axial force. Furthermore, the tenderer must document all tests to be performed according to the specification e.g. impact tests. • Installation- and service manuals for the insulating couplings/-joints shall be provided in the documents submitted with the tender. When evaluating 'Technical solution description', the Contracting Authority will evaluate the degree to which the tender demonstrates a solution that is supported by tests, type approvals, and certifications. In this context, the elements listed below are of particular importance: Process data, design data and certifications • Any deviations may lead to a reduction to the score depending on the content, clarity, and consequence. It is explicitly noted that deviations to the sections in the datasheets regarding process data, design data and certifications will be of importance in the evaluation. An overall evaluation will be made of this sub-criterion

Kuvaus: Certification and Quality Control Systems The tenderer must as part of the sub-criterion 'Quality assurance and quality control' include the following: • A detailed description of the specific quality assurance and quality control performed for the products which will be delivered to the Contracting Authority, including QA plan, inspection, and test plan. • A detailed description on how certified quality management systems are used to support quality assurance and quality control when producing to the Contracting Authority (API, ISO or equivalent). When evaluating 'Quality Assurance and Quality Control', the Contracting Authority will evaluate to which degree the tenderer provides assurance for the quality of the components delivered to the Contracting Authority. In the evaluation of 'Quality Assurance and Quality Control', the Contracting Authority will emphasize the following as positive: QA plan • If the QA plan includes documentation of quality assurance measurements and controls implemented at every stage of the design and manufacturing processes. Test plan • If the test plan specifies the testing methodologies, standards, and acceptance criteria to validate the tendered product's quality. Final documentation and inspection • If there is documentation of final testing and inspection. An overall evaluation will be made of this sub-criterion.

Muutoksenhakuelin: Danish Complaints Board for Public Procurement

Tietoa muutoksenhaun määräajoista: Pursuant to the Danish Act on the Complaints Board for Public Procurement, the following deadlines apply to the submission of complaints: A complaint regarding non-prequalification must be submitted to the Complaints Board for Public Procurement within 20 calendar days from the day following the contracting authority's dispatch of a notification to the candidates concerned identifying who has been selected, cf. section 171(2) of the Danish Public Procurement Act or section 2(1)(1) of the Act on the Complaints Board for Public Procurement, where the notification is accompanied by a statement of reasons for the decision. In other situations, complaints regarding procurement procedures must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting authority has published a notice in the Official Journal of the European Union announcing that the contracting authority has concluded a contract. The period is calculated from the day following the day on which the notice was published. 2) 30 calendar days calculated from the day following the day on which the contracting authority has notified the tenderers concerned that a contract based on a framework agreement with reopening of competition or a dynamic purchasing system has been concluded, where the notification was accompanied by a statement of reasons for the decision. 3) six months after the contracting authority has concluded a framework agreement, calculated from the day following the day on which the contracting authority has notified the candidates and tenderers concerned, cf. section 2(2) of the Act on the Complaints Board for Public Procurement or section 171(4) of the Danish Public Procurement Act. 4) 20 calendar days calculated from the day following the day on which the contracting authority has announced its decision, cf. section 185(2) of the Danish Public Procurement Act. No later than at the time of submitting a complaint to the Complaints Board for Public Procurement, the complainant must notify the contracting authority in writing that a complaint is being submitted to the Complaints Board for Public Procurement, and whether the complaint has been submitted during the standstill period, cf. section 6(4) of the Act on the Complaints Board for Public Procurement. Where the complaint has not been submitted during the standstill period, the complainant must also state whether suspensive effect of the complaint is requested, cf. section 12(1) of the Act on the Complaints Board for Public Procurement.
