2.1. Menettely

Ilmoituksen nimi: Framework agreement for mechanical maintenance and pipe work.

Kuvaus: Veas has a continual need for mechanical services, industrial plumbing and other relevant maintenance work connected to the operation and upgrading of equipment and treatment plant at Veas. Veas would like to use a new final dewatering facility at the start of 2027, and the extent of the mechanical services connected to the start-up and operation of this part of the treatment plant is uncertain. The contracting authority needs parallel framework agreements with up to 3 tenderers within mechanical maintenance and pipe work. The framework agreement period is 4 years and the estimated value is NOK 60 million. The contracting authority requires a prioritised customer and that work as needed shall start within 48 hours on weekdays. The tender deadline is shortened to 10 days by use of a prior information notice in accordance with the procurement regulations (FOA) § 20-3 fourth paragraph. The prior information notice was published on Doffin/TED 22.06.26.

Lapsityövoima ja muut ihmiskaupan muodot: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Maksukyvyttömyys: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Työlainsäädännön mukaisten velvoitteiden rikkominen: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Varat selvitysmiehen hallinnassa: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Väärin tietojen antaminen, tietojen salaaminen, vaadittujen asiakirjojen toimittamatta jättäminen tai tätä menettelyä koskevien luottamuksellisten tietojen saaminen: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled,

b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award? Talouden toimijan hankintamenettelyyn osallistumisesta johtuvat eturistiriidat: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Välitön tai välillinen osallistuminen tämän hankintamenettelyn valmisteluun: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Ammatin harjoittamiseen liittyvä vakava virhe: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Ennenaikainen irtisanominen, vahingonkorvaukset tai muut vastaavat seuraamukset: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Sosiaalilainsäädännön mukaisten velvoitteiden rikkominen: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Sosiaaliturvamaksujen maksamiseen liittyvän velvoitteen rikkominen: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Liiketoiminta on keskeytetty: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Verojen maksamiseen liittyvän velvoitteen rikkominen: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorismirikokset tai terroritoimintaan liittyvät rikokset: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Puolustusmateriaalihankintoja koskeva ammatin harjoittamiseen liittyvä rikkomus: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Kyvyyttömyys osoittaa luotettavasti, että maan turvallisuudelle aiheutuvat riskit voidaan sulkea pois: Is the tenderer assessed to lack the reliability necessary to exclude the risk of national security?

Puhtaasti kansallisten poissulkemisperusteiden nojalla asetettujen velvoitteiden rikkominen: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Kuvaus: The contracting authority has assessed that climate and environmental considerations in this procurement are best taken care of through concrete requirements in the requirement specifications and binding contract requirements. The background is that the environmental impact of this procurement occurs primarily in the execution of the contract, including through transport, material use, waste handling and ongoing improvement measures. By setting concrete requirements and thereafter following up these through KPIs, reporting and contract meetings, better management, verifiability and actual environmental effect are ensured during the agreement period.
