5.1.9. Valintaperusteet

Valintaperusteiden ilmoittamispaikka: Ilmoitus

Kriteeri: Viitteet määriteltäisiin palveluihin

Valintaperusteen kuvaus: It is a minimum requirement that the tenderer provides at least two (2) references relating to comparable business activities. For the purposes of this requirement, a reference will be considered comparable only if it concerns the operation of currency exchange services at an airport handling more than 10 million passengers annually. The references (operator statement only) must relate to contracts that have been carried out during the two (2) years preceding the tender deadline. Ongoing contracts may be relied upon, provided that the contract has been performed for at least twelve (12) months prior to the tender deadline. The reference requirement can be fulfilled through references where the tenderer has been a supplier or subcontractor. The decisive factor is that the tenderer has performed the work covered by the reference. The references must be described in the ESPD and include the following information: - Short description of the references - The airports and the number of total annual passengers in 2025 - Date of opening of the premises - Contact person from each contracting entity CPH reserves the right to contact the contracting entity in question to verify the existence of the reference. Please note that a tenderer may in its ESPD state only its own references, i.e. for the specific legal entity (e.g. company) in question. This means for example that group companies' references may be taken into account only if the tenderer relies on the group companies in question in relation to suitability and if separate ESPDs and letters of commitment are submitted for these group companies, see below. As for consortia, the consortium members combined must meet the minimum requirement. As for tenderers relying on the technical and professional suitability of other economic operators, the tenderer and the committed entity combined must meet the minimum requirement.

5.1.10. Vertailuperusteet

Kriteeri:

Tyyppi: Hinta

Nimi: Financial

Kuvaus: The economic operator must complete and submit Annex A (Financial offer). All blanks marked yellow in Annex A must be filled out by the tenderer. Annex A constitutes the tenderer's combined financial offer across all locations. The offered concession fee and minimum annual rent (per IDP) will be applicable across all units. The overall assessment of "Financial" is based on the two (2) sub-sub-criteria described above and is calculated with two decimal places. The sub-sub-criteria are evaluated separately. No indexation is applied for evaluation purposes. All prices must be quoted in Danish kroner (DKK) excluding VAT (but including any other indirect taxes). "Concession fee (%)" (50%) The tenderer must state the offered concession fee percentage in Annex A (Financial offer), the offered concession fee (%) for both sales and purchase of currencies. When assessing "Concession fee (%)", emphasis will be placed on as high a value as possible. CPH will use a scoring system in which the concession fee is translated into scores ranging from a minimum of 0 points to a maximum of 10 points: • The tenderer offering the highest concession fee will achieve the maximum score of 10 points. • An offered concession fee percentage lower than 2,35% will gain a score of 0 points. • All other tenderers will be scored based on a linear interpolation between these two values. • If all tenderers submit identical concession fees, all tenderers will be awarded 10 points. "Minimum annual rent (per IDP)" (50%) The tenderer must state the offered minimum annual rent (per IDP) for all units in Annex A (Financial Offer), which will be adjusted in accordance with the lease agreement. The minimum annual rent (per IDP) for each unit will serve as the minimum guaranteed payment to CPH. For evaluation purposes, the minimum annual rent (per IDP) is calculated as the sum of the minimum annual rent (per IDP) offered for all locations. The estimated IDP in the Financial offer (Annex A) for the lease period, provided by CPH, is not binding. When assessing "Minimum annual rent (per IDP)", emphasis will be placed on as high a minimum annual rent per IDP as possible. The minimum annual rent per IDP must be quoted in Danish kroner (DKK) excl. VAT (but including any other indirect taxes, duties etc.) CPH will use a scoring system in which the minimum annual rent (per IDP) are translated into scores ranging from a minimum of 0 points to a maximum of 10 points: • The tenderer offering the highest minimum annual rent (per IDP) will achieve the maximum score of 10 points. • An offered minimum annual rent lower than 0,70 DKK per IDP will gain a score of 0 points. • All other tenderers will be scored based on a linear interpolation between these two values. • If all tenderers submit identical minimum annual rents (per IDP), all tenderers will be awarded 10 points.
