Le marché relève de l'accord sur les marchés publics (AMP): non

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Ratio financier

Description du critère de sélection: Tenderers shall have their tax and duty payments in order (tax, VAT etc.). Documentation requirements: Tax certificates issued by the tax authorities

shall be submitted via e Proof or manual (maximum 6 months old). Foreign tenderers shall submit equivalent certificates from their home country.

Critère: Inscription à un registre du commerce

Description du critère de sélection: Tenderers shall be a legally established company registered in a company register, trade register or trade register in their country of establishment. Documentation requirements: Company Registration Certificate from the Brønnøysund Register Centre or other valid register statement confirming that the tenderer is registered and legally established. Foreign tenderers submit equivalent certificates from their jurisdiction. To be delivered via e Proof or manual.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Tenderers must have sufficient economic and financial capacity to fulfil the contract. As a minimum requirement, the tenderer must not be subject to bankruptcy proceedings, debt negotiations or liquidation or have suspended activity. Good credit worthiness is required, at least equivalent to Bisnode score A. If the tenderer relies on another company, it shall satisfy the requirements and document them, in the same way that the tenderer is. Documentation requirements: Tenderers shall not enclose documentation. The contracting authority will obtain credit rating/financial data itself. If a tenderer is not subject to credit appraisal, or if a tenderer wishes to document that the credit rating gives a misleading picture of the economic situation, the economic and financial position can be substantiated with other appropriate documentation. Tenderers shall particularly justify why the credit rating is not available or why it gives a misleading picture. For companies without a score in the Bisnode base, the Contracting Authority will assess the accounting figures, possibly obtain external help to assess the tenderer's economic and financial position. Tenderers with temporarily reduced credit rating due to notified fission/fusion or equivalent, may be approved.

Critère: Mesures pour garantir la qualité

Description du critère de sélection: Tenderers shall have a good and well-functioning quality assurance system suitable for the delivery. This involves routines for ensuring quality and compliance with relevant laws and regulations in the implementation of the contract. Documentation requirements: Description of the quality assurance system and procedures. Alternatively: A copy of a valid ISO 9001 certificate or equivalent certification will normally be accepted as documentation.

Critère: Mesures de gestion environnementale

Description du critère de sélection: The tenderer is required to have an environmental management system to ensure environmental consideration in the delivery. Documentation requirements: Certificate that proves a valid environmental management system (f.eks. ISO a 14001 certificate, EMAS registration or Environmental Lighthouse certificate). Alternatively, tenderers can provide a description of their internal environmental management system with an account and policy if formal certification is not available. If a tenderer is not certified, they can present a certification plan during the first year of operation.

Critère: Références sur des services spécifiés

Description du critère de sélection: Tenderers shall have relevant experience from assignments or deliveries of an equivalent nature and extent to the assignment in question. 'equivalent' means assignments of the same type, complexity and size, which ensures that the tenderer has the necessary experience. Documentation requirements: Reference list of the most important relevant assignments. Description of the tenderer's three most relevant

contracts in the course of the last 3 years. The description must include the name of the customer, the assignment's value, date of contract signing and a gender neutral preferred (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. References can be checked as needed.
