Le marché en question convient aussi aux petites et moyennes entreprises (PME): oui

5.1.7. Marché public stratégique

Critères marchés publics écologiques: Pas de critères applicables aux marchés publics écologiques

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Requirements: Tenderers shall have their tax and VAT affairs in order. Who shall meet the requirement: -Vendor - Companies that the tenderer will use through a commitment statement. -If several suppliers participate in the competition as a working partnership , the requirement applies for each participant in the community. How to document fulfilment of the requirement: Tax and VAT certificate or equivalent documentation from the state where the company is established that shows that the tenderer has its tax and VAT payments in order. The certificate or equivalent documentation must not be older than 6 months calculated from the deadline for applying for qualification.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: The tenderer shall be a legally established company. Who shall meet the requirement: -Vendor - Companies that the tenderer will use through a commitment statement. - If several suppliers participate in the competition as a working partnership , the requirement applies for each participant in the community. How to document fulfilment of the requirement: Company Registration Certificate or equivalent documentation that shows that the company is legally established and registered. Norwegian companies require registration in the Register of Business Enterprises. Foreign companies are required to have registration in an equivalent company or trade register in the country where the company is established.

Critère: Qualifications éducatives et professionnelles pertinentes

Description du critère de sélection: Tenderers who will use the capacity of other companies to fulfil the qualification requirements shall demonstrate this. If the tenderer relies on other companies to fulfil the requirements for economic and financial capacity, joint and several liability is required between the companies for fulfilment of the tenderer's obligations in accordance with the contract. If the tenderer supports themselves in other entities to fulfil the requirements for education and technical and professional qualifications or the requirements of relevant professional experience, these entities shall carry out the work or services that require such qualifications. Who shall meet the requirement: -Vendor - If several tenderers participate in the competition as a working partnership (working partnership), the requirement applies to the working partnership. - Companies that the tenderer will use through a commitment statement. How to document fulfilment of the requirement: The contracting authority's template shall be used for the delivery of a written and signed commitment statement from each committed company. The commitment declaration shall document that the tenderer has the right to use the necessary resources at the committed company. The tenderer shall, in the ESPD form, respond to whether they will use the capacity of other entities. The obliged companies shall submit a separate ESPD form. Tenderers shall also submit an organisation chart or other written documentation with an overview of all the committed companies. The documentation shall describe how the qualification requirements in total are fulfilled and how the committed companies will contribute to ensuring satisfactory execution of the contract.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Working partnerships shall demonstrate how the qualification requirements are fulfilled, as well as enclose a declaration of joint and several liability between the companies for fulfilment of the tenderer's obligations in accordance with the contract. Who shall meet the requirement: Partnership How to document fulfilment of the

requirement: Organisation chart or other written documentation with an overview of all participants in the community. The contracting authority's template for working partnerships shall be filled in and signed. Each participant in the group shall submit a separate ESPD form.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Tenderers shall be credit worthy with a status of 'satisfactory' or better, as well as be able to obtain credit. Who shall meet the requirement: - Vendor - Companies that the tenderer will use through a commitment statement to fulfil the qualification requirements for finances. - If several tenderers participate in the competition as a working partnership (working partnership), the requirement applies for each participant in the working partnership. How to document fulfilment of the requirement: Credit rating, not older than 6 months prior to the deadline for applying for qualification. The credit rating shall be issued by a certified credit rating company, which has a licence to operate within the EU/EEA area. The tenderer can rely on a parent company to fulfil the requirement. If so, a declaration is required that the parent company is joint and severally responsible for the fulfilment of the tenderer's obligations in accordance with the contract.

Critère: Références sur des livraisons spécifiées

Description du critère de sélection: Tenderers shall have experience from at least three comparable assignments, completed at the latest three years before the tender deadline. Comparable assignments means an impact assessment connected to priced effects of road projects. All reference projects shall include the use of a regional transport model (RTM) and socio-economic analysis carried out with the use of EFFECT. A minimum of one of the reference projects shall include the use of a National Goods Model (NGM), and calculation of useful effects for goods traffic. Who shall meet the requirement: - The tenderer, or - Companies that the tenderer will use through a commitment statement to fulfil the qualification requirement. How to document fulfilment of the requirement: An overview of three assignments that the tenderer has carried out in the last three years. The overview shall contain a description of the assignments which include information on the assignments' value, date of execution and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider. The contracting authority reserves the right to contact the references.

Critère: Certificats délivrés par des instituts de contrôle de la qualité

Description du critère de sélection: Tenderers shall have a quality assurance system adapted to the assignment's complexity. ISO 9001 will meet the requirement. Who shall meet the requirement: Tenderers, or one participant in a working partnership must meet the requirement. Documentation requirement: If a tenderer is certified in accordance with ISO 9001, sufficient confirmation of the certification is sufficient. If a tenderer is not certified in accordance with ISO 9001, a description must be enclosed of the tenderer's quality assurance system.

5.1.10. Critères d'attribution

Critère:

Type: Qualité

Nom: The offered key personnel' documented competence and relevant experience.

Description: The offered personnel must have experience with analyses as described in chapter D 'requirement specification'. When assessing this criteria, the contracting authority will assess both competence and experience in isolation and how well the team complements each other. The following competence and experience will be assessed as particularly important when evaluating key personnel: 1. Competence and experience with transport models for passenger transport (Cube, NTM/RTM). 2. Competence and experience with a transport model for goods transport (Cube, NGM) 3. Competence and experience connected to socio-economic analyses carried out in accordance with the Norwegian Public Roads Administration's handbook V712 Impact analysis/priced consequences, by using a calculation tool EFFECT (with and without connection to the transport model). CVs shall be submitted for three (3) key persons. The contracting authority's CV template shall be used. The contracting authority emphasises the importance that the number of CVs that are delivered is in accordance with the tender documentation.

Critère:

Type: Qualité

Nom: Implementation

Description: The tenderers will be assessed on the following conditions on this award criteria: • Capacity beyond offered key persons (CVs are not requested here, but a competence matrix or other overview showing the tenderer's relevant capacity beyond the offered key persons). • Description of a standard work flow for calculating priced consequences. • Routines for quality assurance of the total delivery, including input from external suppliers (both from Nye Veier and others). • Routines for transfer of experience and development (both internally and towards the contracting authority) The response shall not exceed 5 pages. Assignment descriptions that exceed the maximum requirement can lead to the tender being rejected. The contracting authority's template for the assignment description shall be used. The requirement is weighted 40%

Critère:

Type: Prix

Nom: Price

Description: Average hourly rate for the categories of personnel stated in the price form in EU-supply. All items in the price form shall be completed. The requirement is weighted 20%
