Sources des critères de sélection: Avis

Critère: Inscription à un registre du commerce

Description du critère de sélection: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements The tenderer shall

be a legally established company. Documentation: Norwegian companies shall submit a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall submit proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers are required to have a bankruptcy rating equivalent to B (moderate bankruptcy risk) from Proff Forvalt (Proff AS) or better.

Documentation requirement: The contracting authority will use Proff Forvalt (Proff AS) to assess fulfilment of the requirement. Therefore it is not necessary for tenderers to send this documentation. The tenderer is expected to have known registered information about the company in Proff AS. If a tenderer chooses to use a parent company to fulfil the requirement, a parent company guarantee must be enclosed. The contracting authority will then use Proff Forvalt to assess the parent company's bankruptcy rating. If the tenderer (e.g. newly established companies) is not subject to bankruptcy proceedings in Proff Forvalt, the tenderer is asked to enclose other appropriate documentation. This can e.g. be the company's annual accounts or extracts thereof, bank declarations or liability insurance certificates, ref. the Public Procurement Regulations §16-4. If a tenderer will use the capacity of other companies to fulfil the requirements for economic and financial capacity, the contracting authority requires that they are joint and severally responsible for the execution of the contract.
