Identifiant interne: 26/00576

Type de procédure: Ouverte

La procédure est accélérée: non

Principales caractéristiques de la procédure et informations sur l'endroit où obtenir les règles complètes applicables à la procédure: The objective of the procurement is to ensure the municipalities a broad, updated and educational relevant range of teaching resources, with good discounts, predictable deliveries and efficient ordering and licence handling routines. The agreement shall cover a comprehensive assortment that includes, but not limited to: textbooks, digital textbooks, apps for teaching, fiction books, subject books, reference books and other non-fiction. The framework agreement shall also include non-fiction for other municipal entities than schools, so that all sectors have access to relevant and updated knowledge material. Tenderers shall be able to offer both physical and digital products, as well as necessary support services connected to use, administration and access management. The tenderer is expected to have good logistics systems, high delivery ability and user friendly ordering systems that support the municipalities' needs for efficient operation. For digital resources, the tenderer shall be able to offer stable licence models, good user support and systems that safeguard privacy and information security requirements.
