2. Procédure

2.1. Procédure

Titre: National road 426 Eigerøy bridge

Description: The main aim of the project is to replace the current Eigerøy bridge with a new bridge which shall be constructed parallel to the south side of the existing one. When the new bridge is finished, shall the old one be demolished. In addition a foot and cycle path shall be established south along the Hovlandsveien, on the current national road 426. Associated roads in the area shall also be upgraded in order to ensure comprehensive improvement of the infrastructure. New Eigerøy Bridge * The new Eigerøy bridge shall be constructed on the south side of the existing bridge. When the new the bridge has been completed, the old bridge shall be demolished. The new bridge is planned as a type of "Concrete slab bridge with blasted columns" with a length of approx. 272 m. * The bridge should typically have a total width of 13.6 m. * The sailing rectangle shall be (HxB) 22.5 m in 23.5 m. Other constructions * New culvert Lauåsen internal dimension (BxH) 3.5 m x 3.1 m * Support construction along Hovlandsvegen * Retaining wall and support construction at Hovlandsvegen 7 and 9 * Retaining wall along Old Eigerøyveien. * Other minor walls and support structures uncovered by the engineering design. need for. A new foot and cycle path shall be constructed as the main solution for walking and cycling. Some parts of the stretch will have pavements. * A new three-armed roundabout shall be constructed at Eigerøy. * The public transport stops along the stretch shall be upgraded to universal design and be equipped with shelters for better comfort and accessibility. * A new national road 426 shall be constructed on the east side of the new bridge, approx. 200 m eastwards. * Approx. 230 m new exit and local road from Langholmveien shall be constructed. Along Hovlandsveien * Along Hovlandsveien, National Road 426, a new foot and cycle path shall be constructed on the east side from the junction with Nyåskaiveien to the new Eigerøy bridge. This road shall connect on foot and cycle paths on the new bridge. The foot and cycle path is approx. 750 m long. The width of the new foot and cycle path varies between 2.5 and 3.0 m plus the shoulder and railing room. * The farthest south continues the current foot and cycle path on the west side of Hovlandsveien up to the existing pedestrian crossing at the public transport stops. See the tender documentation for detailed information on the contract work.

Base juridique:

Directive 2014/24/UE

2.1.6. Motifs d'exclusion

Sources des motifs d'exclusion: Avis

Situation analogue à la faillite prévue dans la législation nationale: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Faillite: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Concordat: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not

necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Participation à une organisation criminelle: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42).

Accords avec d'autres opérateurs économiques en vue de fausser la concurrence: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Manquement aux obligations dans le domaine du droit environnemental: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Blanchiment de capitaux ou financement du terrorisme: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraude: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Travail des enfants et autres formes de traite des êtres humains: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvabilité: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Manquement aux obligations dans le domaine du droit du travail: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Biens administrés par un liquidateur: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Faussees déclarations, dissimulation d'informations, incapacité de présenter les documents requis ou obtention d'informations confidentielles sur cette procédure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflit d'intérêt créé par sa participation à la procédure de passation de marché: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Association directe ou indirecte à la préparation de cette procédure de passation de marché: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Faute professionnelle grave: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Résiliation, dommages et intérêts ou autres sanctions comparables: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Manquement aux obligations dans le domaine du droit social: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Manquement à l'obligation relative au paiement de cotisations de sécurité sociale: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

État de cessation d'activités: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Manquement à l'obligation relative au paiement d'impôts et taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Infractions terroristes ou infractions liées aux activités terroristes: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a

legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Délit affectant la moralité professionnelle dans le domaine de la passation des marchés de défense: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Défaut de la fiabilité nécessaire pour éviter des atteintes à la sécurité du pays: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Manquement à des obligations liées à des motifs d'exclusion purement nationaux: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

5. Lot

5.1. Lot: LOT-0001

Titre: National road 426 Eigerøy bridge

Description: The main aim of the project is to replace the current Eigerøy bridge with a new bridge which shall be constructed parallel to the south side of the existing one. When the new bridge is finished, shall the old one be demolished. In addition a foot and cycle path shall be established south along the Hovlandsveien, on the current national road 426. Associated roads in the area shall also be upgraded in order to ensure comprehensive improvement of the infrastructure. New Eigerøy Bridge * The new Eigerøy bridge shall be constructed on the south side of the existing bridge. When the new the bridge has been completed, the old bridge shall be demolished. The new bridge is planned as a type of "Concrete slab bridge with blasted columns" with a length of approx. 272 m. * The bridge should typically have a total width of 13.6 m. * The sailing rectangle shall be (HxB) 22.5 m in 23.5 m. Other constructions * New culvert Lauåsen internal dimension (BxH) 3.5 m x 3.1 m * Support construction along Hovlandsvegen * Retaining wall and support construction at Hovlandsvegen 7 and 9 * Retaining wall along Old Eigerøyveien. * Other minor walls and support structures uncovered by the engineering design. need for. A new foot and cycle path shall be constructed as the main solution for walking and cycling. Some parts of the stretch will have pavements. * A new three-armed roundabout shall be constructed at Eigerøy. * The public transport stops along the stretch shall be upgraded to universal design and be equipped with shelters for better comfort and accessibility. * A new national road 426 shall be constructed on the east side of the new bridge, approx. 200 m eastwards. * Approx. 230 m new exit and local road from Langholmveien shall be constructed. Along Hovlandsveien * Along Hovlandsveien, National Road 426, a new foot and cycle path shall be constructed on the east side from the junction with Nyåskaiveien to the new Eigerøy bridge. This road shall connect on foot and cycle paths on the new bridge. The foot and cycle path is approx. 750 m long. The width of the new foot and cycle path varies between 2.5 and 3.0 m plus the shoulder and railing room. * The farthest south continues the current foot and cycle path on the west side of Hovlandsveien up to the existing pedestrian crossing at the public transport stops. See the tender documentation for detailed information on the contract work.

5.1.7. Marché public stratégique

Objectif du marché public stratégique: Réduction des incidences sur l'environnement

Description: Reduction of environmental impact

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Inscription à un registre du commerce

Description du critère de sélection: The contractor shall be a legally established company or consist of a community of contractors who are legally established companies. The requirement also applies to entities that the contractor will use, cf. point 4.1. Below. The contractor shall not be a unit that is subject to the ban in the sanctions regulations. Ukraine § 8n, nor should it rely on entities in violation of § 8n. Documentation requirements: 1. Certificate from the Register of Business Enterprises or an equivalent certificate for statutory registration in the countries where the contractor or the entities that jointly constitute the contractor, c.f. chapter 1 B2 point 4.2, has been established, as well as an equivalent certificate for all entities that the contractor will use to be qualified, cf. chapter 1. B2 point 4.1. 2. Completed table in chapter 2. E1 point 3.2, possibly completed points 3.3 and 3.4. 3. A completed self-declaration on the relation to the current sanctions law, c.f. chapter 3. E1 point 3.6. 4. Upon request from the builder, the contractor shall document who is real right holders in the contractor, companies in the contractor's group or companies that the contractor has controlling ownership or authority in, companies that the contractor will use, contract helpers and anyone else in the supplier chain, as well as information on who is the general manager, chairman and other senior executives at the contractor.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Tenderers shall have sufficient economic and financial capacity to implement the contract and it shall also fulfil the following requirements: 1.

Tenderers shall have equity of minimum NOK 70 million. 2. Tenderers shall have an equity

ratio of at least 10%. 3. Tenderers shall have an average annual turnover of minimum NOK 250 million. the last three fiscal years. Documentation requirements: 1. The tenderer's annual accounts, annual report and auditor's report for the last three years. and recent information (quarterly accounts) of importance for the tenderer's accounting figures. 2. A brief account of information on economic conditions or losses which are not documented elsewhere and which are required to be documented in accordance with norwegian and/or international accounting standards. The account shall also include any events of significance that have occurred after the last revised Financial statements. 3. An overview of any newly executed, ongoing or imminent tax or public reviews of the contractor's activities. 4. Completed table in chapter 1. E1 point 4. If the contractor has a justifiable reason for not submitting the documentation the builder has demanded, he can document his economic and financial capacity by to present any other document of relevance to the company's accounting figures/finances and which the builder deems suitable. The contractor shall justify why he cannot submit the documentation that the builder has required.

Critère: Références sur des travaux spécifiés

Description du critère de sélection: Tenderers shall have sufficient experience with management and implementation of road projects of a relevant nature and degree of difficulty. The contractor shall, in addition, have sufficient experience of a relevant nature and degree of difficulty. from the following central works: 1. Model based multi-disciplinary engineering design services for road and bridge installations. 2. Model based construction of road installations including blasting and rock protection. 3. Drawing or model based construction of a reinforced concrete bridge with span greater than 30 m above sea or waterways. 4. Pele foundations 5. Support structures (e.g.: pipe wall, earth riveting, concrete and natural stone walls) Tenderers shall themselves have experience from the execution of the central work as mentioned Above. If the contractor only has experience from, for example, controlling helpers, the contractor must rely on other entities that have the necessary experience from the execution of the relevant central works, see B2 point 4.1. Documentation requirements: A list of up to 10 and not less than 3 contracts that the contractor has carried out or carried out during the last five years calculated from the deadline for submission of requests for participation in the competition. For central work number 3, reference can be made to contracts that the contractor has carried out or carry out during the last ten years calculated from the deadline for submission of request for participation in the competition. Minimum and the maximum limit applies to the total number of reference projects and is equal to regardless of whether the contractor fulfils the qualification requirement alone or rely on others to fulfil the qualification requirement. The listed the reference projects shall together document fulfilment of the qualification requirement. The list shall, cf. the form be included in the chapter. E1 point 5.1, contain the following for each of Contracts: * Name of the recipient (contracting authority) * A description of what the contract work was like, including relevance in relation to related to the qualification requirement. * What work was carried out by the contractor himself, and what work as was carried out by sub-contractors and consultants. * Date of the delivery. * The contract's value. * Contact person at the contracting authority with contact data (telephone number and email address), and a statement of the person in question's role at the contracting authority under the contract. The gender neutral preferred may be contacted in order to verify that the information in the form is correct. The contractor is responsible for ensuring that The gender neutral preferred is available. 2. Completed form in chapter 2. E1 point 5.1.

Critère: Mesures de gestion environnementale

Description du critère de sélection: Tenderers shall be certified in accordance with ISO 14001 (2015), EMAS (EU Eco-Management and audit scheme for environmental management), or

Miljøfyrtårn, of relevance for equivalent transport projects. Documentation requirements: 1. Certificate issued by an independent body that documents that the contractor is certified in accordance with ISO 14001 (2015), EMAS (EU Eco-Management and Audit Scheme for environmental management) or Miljøfyrtårn . The Independent Body must be accredited by Norwegian accreditation or equivalent bodies in other EEA countries. 2. Other documentation for equivalent environmental management measures will be accepted if the contractor cannot obtain such certificates by the deadline, and this does not due to the contractor himself. It is a prerequisite that the tenderer documents that these measures are equivalent to the requested environment systems or standards. The contractor shall justify why he did not have the opportunity to get such certificates within the deadline, and what this is due to.

Critère: Mesures pour garantir la qualité

Description du critère de sélection: The contractor shall be certified in accordance with ISO 9001 (2015), with relevance for equivalent. transport projects. Documentation requirements: 1. Certificate issued by an independent body that documents that the contractor is certified in accordance with ISO 9001 (2015). The independent body must be accredited by Norwegian accreditation or equivalent bodies in other EEA states. 2. Other documentation for equivalent quality assurance measures will be accepted if the contractor cannot obtain such certificates by the deadline, and this does not due to the contractor himself. It is a prerequisite that the contractor documents that these measures are equivalent to ISO 9001 (2015). The contractor shall justify why he did not have the opportunity to obtain such certificates by the deadline, and what this was due to.
