5.1.6. Informations générales

Participation réservée:

La participation n'est pas réservée.

Le marché relève de l'accord sur les marchés publics (AMP): non

Le marché en question convient aussi aux petites et moyennes entreprises (PME): non

Informations complémentaires: Please consult the document 'User Manual – process Upload Request – Qualification Phase' for more information. A PDF of the request to participate and all requested annexes shall be uploaded on the Coupa Supplier Portal. Each candidate will have to request via procurement@fluxys.com access to the appropriate protected folder on this platform. The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form. Requests to participate must be structured as follows: 1. Name of Bidder 2. Legal form of company 3. Date of registration 4. Country of registration 5. Registration number 6. VAT number 7. Registered address of company 8. Person(s) authorized to sign contracts (together or alone) on behalf of the company [Sur-name, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...)] 9. Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. 11. [...] Legal form to be taken by the group of economic operators to whom the contract is to be awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability towards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the

role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorised by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities, whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Proof of the candidate's economic and financial standing may be furnished by one or more of the following references: - the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established; - a statement of the economic operator's overall turnover of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading.

Critère: Chiffre d'affaires annuel moyen

Description du critère de sélection: The candidate must have an average yearly turnover of at least EUR 5.000.000. This criterion applies to the candidate as a whole, i.e. through the combined capacity of all members of the group in case of a group of economic operators.

Critère: Ratio financier

Description du critère de sélection: In addition, the following financial ratio's shall be met: • Current ratio (i.e. current assets divided by current liabilities) must be above 0.9; • Solvency ratio (i.e. equity divided by total assets) must be above 20%. This criterion applies to each member of the group in case of a group of economic operators. The candidate will provide a bank guarantee at first request (if ratio is insufficient (5% of the total contract amount, increased at sole discretion of contracting entity if economical situation is requesting for it)

Critère: Sécurité de l'approvisionnement

Description du critère de sélection: A list of the principal fuel stations and EV charging points in the available network. The list should mention the full address per station and clearly indicate which station allows refuelling and EV charging. Following minimum number of fuel stations/ loading points are required: - Fuel stations in Belgium: 500 - Fuel stations in Europe: 10.000 - EV charging points in Belgium: 20.000 - EV charging points in Europe: 300.000

Critère: Mesures pour garantir la qualité

Description du critère de sélection: A statement by the operator that: - Invoicing can be handled through one combined invoice per month and per service type. - All data can be handled through Dragintra. - For EV charging passes that they provide an application for users which includes the following functionalities: * Show availability status by EV charging point * Cost visibility per EV charging point * Re-routing functionality.
