2.1. Procédure

Titre: Procurement of a wheel loader

Description: Procurement of a wheel loader – SIMAS IKS SIMAS IKS shall enter into a contract for the delivery of one (1) complete wheel loader for operation at SIMAS' facility in Festingdalen, Kaupanger. The machine shall be delivered ready-made and ready for use when delivered, including naudsynt documentation in Norwegian, training operators as well as function testing and acceptance tests. The procurement comprises a wheeled loader in weight class approx. 18-20 tonnes, adapted to work with mass handling, compost production, loading waste and handling of containers and additional equipment. The functions, technical specifications, equipment and options are stated in Annex 1 - Requirement Specifications (Excel). All the technical and functional requirements in Annex 1 are binding minimum requirements if not listed. Tenderers shall offer a complete machine ready for operation, including training at SIMAS, documented service and maintenance and guarantee in accordance with the requirements in Annex 1. The host has set response time requirements for fault handling and service. The delivery shall be carried out in DDP (Incoterms 2010) to SIMAS' facility in Kaupanger. The competition was held as an open tender contest for negotiations in accordance with the Public Procurement Act (LOA) and the Public Procurement Regulations (FOA) part III (above the EEA threshold). All communication and delivery of tenderers shall occur via KGV (Artifik). The qualification requirement shall be documented by ESPD in kgv and it comprises legal establishment, economic and financial capacity, as well as technical and professional capacity, including relevant references and documented works stage in Vestland. The contract will be awarded based on the financially most advantageous tender, based on the following criteria: Price (50%), Environment (20%), Quality and provision (20%) and Service and uptime (10%). The contract will benefit DFØ's standard contract terms for the procurement of goods with or from assembly/installation, with any clarifications as stated in the tender documentation and annexes.

Base juridique:

Directive 2014/24/UE

2.1.6. Motifs d'exclusion

Sources des motifs d'exclusion: Avis

Situation analogue à la faillite prévue dans la législation nationale: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Faillite: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Concordat: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Participation à une organisation criminelle: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies?

Participation in a criminal organisation as defined in Article 2 of the Council's framework

decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42).

Accords avec d'autres opérateurs économiques en vue de fausser la concurrence: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Manquement aux obligations dans le domaine du droit environnemental: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Blanchiment de capitaux ou financement du terrorisme: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraude: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Travail des enfants et autres formes de traite des êtres humains: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvabilité: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Manquement aux obligations dans le domaine du droit du travail: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Biens administrés par un liquidateur: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Fausses déclarations, dissimulation d'informations, incapacité de présenter les documents requis ou obtention d'informations confidentielles sur cette procédure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that

there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflit d'intérêt créé par sa participation à la procédure de passation de marché: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Association directe ou indirecte à la préparation de cette procédure de passation de marché: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Faute professionnelle grave: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Résiliation, dommages et intérêts ou autres sanctions comparables: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Manquement aux obligations dans le domaine du droit social: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Manquement à l'obligation relative au paiement de cotisations de sécurité sociale: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

État de cessation d'activités: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Manquement à l'obligation relative au paiement d'impôts et taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Infractions terroristes ou infractions liées aux activités terroristes: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Délit affectant la moralité professionnelle dans le domaine de la passation des marchés de défense: Is the tenderer himself or a person, who is a member of the tenderer's administration,

management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Défaut de la fiabilité nécessaire pour éviter des atteintes à la sécurité du pays: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Manquement à des obligations liées à des motifs d'exclusion purement nationaux: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.
