Nomenclature complémentaire (cpv): 80340000 Services d'enseignement spécialisé,
80410000 Services scolaires divers, 80590000 Services d'aide pédagogique

2.1.2. Lieu d'exécution

Subdivision pays (NUTS): Østfold (NO083)

Pays: Norvège

2.1.4. Informations générales

Informations complémentaires: In accordance with the Public Procurement Regulations § 7-9 fifth paragraph, the obligation to set requirements or criteria on climate and environmental considerations does not apply if the procurement, in accordance with nature, has a climate footprint and an environmental impact that is immaterial. The delivery concerns training of pupils in alternative training arenas with varying degrees of need for assistance. The delivery mainly consists of person based services in the form of: • individual training and follow-up /assistance. • relationship and environmental work • Coordination and interaction • follow-up with school and relatives. The procurement includes, to a small degree, activities or input factors that normally result in significant climate footprint or environmental impact, including extensive transport, machine use, material consumption, production or energy intensive deliveries. After a concrete assessment, the contracting authority has concluded that the procurement has, in its nature, a climate footprint and an environmental impact that is immaterial, cf. the procurement regulations § 7-9 fifth paragraph. The assessment is i.a. made in light of DFØ's guidance on procurements with immaterial climate footprint and environmental impact.

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Tenderers shall have their tax and VAT payments in order.

Documentation requirement: Norwegian tenderers shall submit a VAT certificate and tax certificate for companies (RF-1316). The certificate shall not be older than 6 months from the tender deadline. • Foreign tenderers must submit equivalent certificates from their own country that document that the company has its tax and duty payments in order. If the authorities in the relevant country do not issue such certificates, the tenderer must submit a declaration which confirms that all taxes and fees are paid. The declaration must be signed by the treasurer. • For Norwegian companies: The certificate is to be submitted via e Proof.

Critère: Inscription à un registre du commerce

Description du critère de sélection: Tenderers shall be registered in a company register, professional register or a trade register in the member country where the tenderer is established. Documentation requirement: Norwegian companies: • Company Registration Certificate • Foreign companies: Approval that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. Norwegian companies: A company registration certificate shall be documented through e Proof.

Critère: Ratio financier

Description du critère de sélection: The tenderer must have sufficient economic and financial capacity to carry out the assignment/contract. Due to the contract's extent and complexity, the tenderer is required to be credit worthy. Documentation requirement: • Credit evaluation/rating based on the most recent financial figures, however, not older than six months. Such a rating

should be carried out by a publicly certified credit rating institution, such as Bisnode, Experian or equivalent. Tenderers are requested to submit other information they believe is relevant. Tenderers are requested to submit other information they believe is relevant. The contracting authority reserves the right to obtain supplementary information about the tenderer's finances.

Critère: Références sur des livraisons spécifiées

Description du critère de sélection: Tenderers must demonstrate relevant experience with assignments for training in alternative training arenas with an equivalent extent and complexity as this contract's performance. See a minimum of 1 maximum of 3 reference assignments.

Documentation requirement: Tenderers shall state, and briefly describe the extent and complexity, the most important relevant deliveries in the last 3 years. The description must also include a statement of the assignment's duration/date and value and the recipient's (i.e. the contracting authority/county/municipality and not the pupils) with names, telephone numbers and email. It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider.

Critère: Mesures pour garantir la qualité

Description du critère de sélection: Tenderers shall have a good and well functioning quality assurance system. Documentation requirement: a. valid certificate/registration of a quality assurance system in accordance with the requirements in ISO9001:2000 or newer. or b. An account of the company's quality assurance system with overall quality objectives and procedures, an overview of what operative procedures exist (table of contents). The account shall also include the company's deviation treatment and work with continuation improvement.
