Titre: Framework agreement trade services - Plumbing (New notice)

Description: The objective of the framework agreement is to cover Vegårshei municipality's need for ongoing maintenance and operation of the municipality's properties within plumbing work. The works will include a number of assignments of varying sizes and scope, including major renovations, replacement of old equipment and installations, repairs and maintenance assignments on existing equipment and installations, as well as work on new buildings. Other services that naturally come under the discipline of HVAC can be provided if there is a need in the contract period. Materials needed for the different operations will be included in the work. Although the procurement comprises some material, it is emphasised that this contract does not provide any exclusivity for the delivery of such material, and that the Contracting Authority is not otherwise obliged to procure materials from the service provider.
