Description des délais d'introduction des procédures de recours: Appeals to the contracting authority's decisions shall be sent in writing to the contracting authority via the communication module in the tender management tool. Any appeals to the award decision must be filed within the expiry of the waiting period, so that the contracting authority can assess the complaint before a contract is signed. The waiting period is set to 7 days calculated from the day after the notification on the choice of tenderer has been sent, cf. the procurement regulations § 10-2 first section. The contracting authority will not enter into a contract before the waiting period has expired. Disputes about the implementation of the competition can be brought before the Appeals Board for public procurements (KOFA). According to the Appeals Board Regulations § 6, appeals to KOFA should be lodged within six months of the contract being signed. Appeals to KOFA do not prevent the contracting authority from entering into a contract, unless a postponement has been agreed. Litigation proceedings for the general courts follow the deadlines in accordance with the Procurement Regulations and Dispute Act.
